## **Dy2functional The Constant Deception:**

Dy2functional Tameka Hicks, 2011-10-19 DY2FUNCTIONAL The Constant Deception is the second installment of the Dysfunctional Series. Now a few years down the road Tamara is older and much more powerful with the inheritance she has gained and is as vengeful as ever when forced. Did you really think that having millions would alter the way she operates? She desperately tried to keep her hands clean but a family tragedy provoked her to return to her old wicked ways. Tamara used her financial means to launch an investigation to find out who was responsible for the murder as she dealt with issues at home with her children. Being determined to never have to struggle again, she sought out the best Psychiatrists to help her short temper and the most savvy business minded people to show her the ropes. Money can do a lot of things but keeping your skeletons buried is not one of them. Karma takes no prisoners and it does not discriminate. Someone wants Tamara's head served on a platter and it will shock you to discover who that person is. Are you curious yet? You are about to take another trip down Dysfunctional Lane.

*Dy3functional* Tameka Hicks, 2013-11-04 Dy3functional Life's A Gamble is the final installment of the Dysfunctional Series and continues the twisted chronicle of Tamara Brown's chaotic life. Her confidant can't be trusted, her teenage daughter is pregnant by a bi sexual man, and her son has been diagnosed with adolescent antisocial behavior, schizophrenia, and severe depression. She has learned that no amount of money can cure the complexities of life; it brought forth its own set of problems. Dealing with her own mental illness and ghosts from the past, she's starting to feel overwhelmed with everything. All the calculating schemes and games Tamara has played just when she thought she had escaped scot free, a family member is strategizing a scheme of their own and she might not survive this time. Life is a gamble for Tamara and it's bringing Karma along for the ride.
