The Monsters Know What They're Doing Keith Ammann,2019-10-29 From the creator of the popular blog The

Monsters Know What They're Doing comes a compilation of villainous battle plans for Dungeon Masters. In the course of a Dungeons & Dragons game a Dungeon Master has to make one decision after another in response to player behavior and the better the players the more unpredictable their behavior. It's easy for even an experienced DM to get bogged down in on the spot decision making or to let combat devolve into a boring slugfest with enemies running directly at the player characters and biting, bashing and slashing away. In *The Monsters Know What They're Doing* Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D & D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight and retreat. Easy to read and apply, *The Monsters Know What They're Doing* is essential reading for every DM.

The revised *Dungeon Master's Guide* is an essential rulebook for Dungeon Masters of the D & D game. The *Dungeon Master's Guide* has been reorganized to be more user friendly. It features information on running a D & D game, adjudicating play, writing adventures, non-player characters including non-player character classes, running a campaign, characters, magic items including intelligent and cursed items and artifacts and a dictionary of special abilities and conditions. Changes have been made to the item creation rules and pricing and prestige classes new to the *Dungeon Master's Guide* are included. Over 10 prestige classes.
