Dusting For Gods Fingerprints:

Dusting for God's Fingerprints George W. Baum, 2015-10-26 There is one book in the Bible where God's name does not appear. However, if we look at the story in retrospect, His fingerprints are all over it. So it is sometimes in our lives. Listening to our own stories, we are often able to detect God's hand. In *Dusting for God's Fingerprints*, stories such as *Mr Toad's Wild Ride* and *Playing the Hand You're Dealt* point in directions where prints may be found. *Adam and Eve Up a Tree* and *Remembering to Laugh* give biblical insights into how to look for those fingerprints, and *Nicaraguan Epiphanies*, *Redemptive Winks*, and *The Language of Grace As Overheard in a Blues Club* are stories that help us catch glimpses of God's hand in our lives when none seems apparent, and *Joey's Equation*, *forgiveness*, *Sam's Club*, *compassion*, and *The Lion Lady* kindness give us tools to remove obstacles to finding prints. *The Dawn of the Remarkable* reveals the one fingerprint that gives hope in making sense of it all, and finally, the dots are connected in a Theo poetic jazz rendering of *Dusting for God's Fingerprints*. **Dusting for God's**

If you've been around as long as I have, you probably remember the songs of singer-songwriter Jim Croce. He grew up in South Philly, watching performances of Fats Domino and the Coasters on TV's *American Bandstand*. He looked like a tough guy, but everyone who knew him said he has a big, warm, fun-loving heart. Jim Croce spent the first decade of his adult life toiling in a series of day jobs: teaching emotionally disturbed children, working in a hospital, driving trucks, operating a jackhammer at construction sites. At night, he would sing and play guitar in coffeehouses. He wasn't waiting for his big break; he was hustling for it. When he was twenty-nine, Jim Croce finally landed his first recording contract. His first album, *You Don't Mess Around With Jim*, was completed quickly, many of the songs being recorded in just one or two takes. Once the album was released, Croce's music, an acoustic blend of folk and rock, caught on fast. The first two singles released from that album quickly became number one hits on AM radio, and Jim Croce became a star. His long-delayed dream had finally come true. His first two hits were upbeat rock ballads. His record company decided to release a third song from the album, a soft, plaintive song called *Time in a Bottle*. It was about how precious each moment of life is and how quickly those moments pass, never to come again. The song wistfully recounted the things Croce would do if only he could keep time in a bottle and pour out extra hours whenever he needed them. Before *Time in a Bottle* could be released, Jim Croce proved that the words of that song were truer

than he realized On September 20 1973 after performing in a concert at Northwestern State University in Natchitoches Louisiana Croce boarded a small chartered plane along with a flight crew and members of his band The heavily loaded plane clipped a tree as it took off Like Croce s career the plane had barely gotten off the ground before it crashed Jim croce was dead at age thirty We can t save time in a bottle and we never know how much time we have left We tend to think about the rest of our lives in terms of years and decades The truth is the rest of our lives might be measured in hours or even minutes So we need to make the most of each moment we have What Happens...When God Gets Angry Buddy Rogers,2023-04-05

What Happens When God Gets Angry God created Heaven and earth and all that is in it He created man and woman with His two hands and named them Adam and Eve God told them they had total control of the Garden of Eden except one tree The Tree of Knowledge of Good and Evil God did not want them to look at it or touch it or eat the fruit from it The warning from God did not last long Satan was after Adam and Eve as soon as God told them to stay away from the tree Satan convinced them to eat the fruit so their eyes would be opened and thus sin was born God threw Adam and Eve out of the Garden and into the world of sin that the man and woman had created by disobedience Several hundred years later God saw the wickedness of the Adam and Eve generations He decided to clear the earth of sinful man God killed every land born creature with a flood of water that was above the mountain tops God spared Noah his wife their three sons and their wives Only eight people survived the flood Those eight people produced today s world population of eight billion Hundreds of years later God again looked at the sins of mankind and was disturbed He looked at two of the worst cities Sodom and Gomorrah and decided to destroy four cities in the evil valley Abraham asked God to spare the cities if he could find ten righteous people within the city of Sodom Abraham could only find four righteous people so God destroyed the cities with fire and brimstone Now hundreds of years after Sodom and Gomorrah God is looking at the world today He is deciding how long He will wait before He sends Christ to rapture the church age saints and destroy sinful mankind In the Bible book of Revelation God explains some of the events that will take place during the Tribulation period of seven years I have tried to capture the consequences in this book After these events there will be no reason for God to look from Heaven to earth anymore because Heaven will be on earth It is all there right in the Bible *Don't Worry Stop Sweating . . . Use Deodorant!* Richard Sandomir,Richard Feelgood,1998 Dr Richard Feelgood gathers up laughs with the first of a growing franchise of best selling titles that stems its information from common sense The Gospel of Ruth Carolyn Custis James,2008 This isn t the Ruth the Naomi or the Boaz we thought we knew Carolyn James has unearthed startling new insights from this well worn story insights that have life changing implications for you Naomi is no longer regarded as a bitter complaining woman but as a courageous overcomer A Female Job Ruth typically admired for her devotion to Naomi and her deference to Boaz turns out to be a gutsy risk taker and a powerful agent for change among God s people She lives outside the box and her love for Yahweh and Naomi compels her to break the rules of social and religious convention at nearly every turn Boaz the Kinsman Redeemer is repeatedly caught off

guard by Ruth's initiatives His partnership with her models the kind of male female relationships that the gospel intends for all who follow Jesus Carolyn James drills down deeper into the story where she uncovers in the Old Testament the same passionate counter cultural rule breaking gospel that Jesus modeled and taught his followers to pursue Within this age old story is a map to radical levels of love and sacrifice combined with the message that God is counting on his daughters to build his kingdom The Gospel of Ruth vests every woman's life with kingdom purposes and frees us to embrace wholeheartedly God's calling regardless of our circumstances or season of life This story of two women who have lost everything contains a profound message God created women not to live in the shadowy margins of men or of the past but to emerge as courageous activists for his kingdom *Pro Ecclesia*, 2004 **Eat My Martian Dust** Michael Carroll, Robert Elmer, 2005 From the bottom of the ocean to the surface of the moon wonders like these await you Open this book and discover fifteen out of this world adventures that will show you how God's promises hold true beyond time and space Book jacket **Youth Bible Study** Serendipity House, 1994-05 *Laugh and Tickle, Hug and Pray* Julaine Kammrath, 1997 Laugh and Tickle Hug and Pray gives you a year's worth of weekly family time ideas to help you share your faith together Your family will learn to listen deeply talk about what really matters and reflect on God's perfect love **Genesis of Grace** John Indermark, 1997 Can We Be Good Without God? John Blanchard, 2007-04 One of the things that distinguishes humankind from every other species on earth is that we have a moral dimension A moral law seems to be programmed into our psychological software and our awareness of it is triggered by the conscience a mysterious monitor that pokes its nose into every nook and cranny of our lives Why should this be the case Does our moral sense come from nature Is it nothing more than a cultural phenomenon Is personal preference the deciding factor Have we any right to question another person's moral choices Are there consistent guidelines for deciding whether something is good or evil right or wrong just or unjust Beyond these and other related questions lies an even greater one can we ever find a solid and coherent basis for morality unless our world view has God at the very centre of it Getting the right answers may change your life *Threads of Gold* Walk Thru the Bible Ministries, Inc. Staff, 1998 This Walk Through the Bible devotional invites you to journey through the seasons in the company of women just like you As you identify with their challenges you'll be encouraged to apply the promises of God's word to your own spiritual walk *Cult of Alien Gods* Jason Colavito, 2005-12-30 In this entertaining and informative book Colavito traces the origins of the belief in ancient extraterrestrial visitors to the work of horror writer H P Lovecraft Illustrations **Journeys in Dust and Light** John DeMers, 1993 **"And God Said"** Jesse Mercer Dodd, 1958 *God's Gold* Sean Kingsley, 2023-12-15 In 70 AD the Roman emperor Vespasian and his son Titus plundered the great Temple of Jerusalem claiming for themselves a priceless hoard The golden candelabrum silver trumpets the bejeweled Table of the Divine Presence the central icons of the Jewish faith were cast adrift in Mediterranean lands and exposed to centuries of turbulent history and the rule of four different civilizations Only an intriguing trail of clues remains to betray the treasure's ever changing destiny a trail eminent
