

The graphic features a dark blue background. At the top, two bald eagles with spread wings and shields are positioned on either side of a central black banner. The banner contains the text 'US' in large yellow letters and 'Eighth Amendment' in large yellow letters below it. Behind the banner is a large, light blue silhouette of a human head in profile, facing right. Inside the head, there are white circuit-like lines and icons, including a classical building dome. Below the head is a white line-art illustration of the US Capitol building. At the bottom, there is a row of white line-art buildings. A black banner with the website address 'www.tsfhr.org' in yellow text is positioned in front of the Capitol building.

The Liberty Amendments Mark R. Levin, 2013-08-13 Mark R Levin has made the case in numerous bestselling books that the principles undergirding our society and governmental system are unraveling In *The Liberty Amendments* he turns to the founding fathers and the constitution itself for guidance in restoring the American republic The delegates to the 1787 Constitutional Convention and the delegates to each state s ratification convention foresaw a time when the Federal government might breach the Constitution s limits and begin oppressing the people Agencies such as the IRS and EPA and programs such as Obamacare demonstrate that the Framers fear was prescient Therefore the Framers provided two methods for amending the Constitution The second was intended for our current circumstances empowering the states to bypass Congress and call a convention for the purpose of amending the Constitution Levin argues that we the people can avoid a perilous outcome by seeking recourse using the method called for in the Constitution itself The Framers adopted ten constitutional amendments called the Bill of Rights that would preserve individual rights and state authority Levin lays forth eleven specific prescriptions for restoring our founding principles ones that are consistent with the Framers design His proposals such as term limits for members of Congress and Supreme Court justices and limits on federal taxing and spending are pure common sense ideas shared by many They draw on the wisdom of the Founding Fathers including James Madison Benjamin Franklin Thomas Jefferson and numerous lesser known but crucially important men in their content and in the method for applying them to the current state of the nation Now is the time for the American people to take the first step toward reclaiming what belongs to them The task is daunting but it is imperative if we are to be truly free *9th Circuit Update*, 1990

The Oath and the Office Corey Brettschneider, 2018-09-18 A cleareyed accessible and informative primer vital reading for all Americans Kirkus Reviews starred review Can the president launch a nuclear attack without congressional approval Is it ever a crime to criticize the president Can states legally resist a president s executive order In today s fraught political climate it often seems as if we must become constitutional law scholars just to understand the news from Washington let alone make a responsible decision at the polls *The Oath and the Office* is the book we need right now and into the future whether we are voting for or running to become president of the United States Constitutional law scholar and political science professor Corey Brettschneider guides us through the Constitution and explains the powers and limits that it places on the presidency From the document itself and from American history s most famous court cases we learn why certain powers were granted to the presidency how the Bill of Rights limits those powers and what we the people can do to influence the nation s highest public office including if need be removing the person in it In these brief yet deeply researched chapters we meet founding fathers such as James Madison and Alexander Hamilton as well as key figures from historic cases such as *Brown v Board of Education* and *Korematsu v United States* Brettschneider breathes new life into the articles and amendments that we once read about in high school civics class but that have real impact on our lives today *The Oath and*
