Biblical Apologetics Clifford B. McManis, 2013-07-26 The book you are holding in your hands is perhaps the simplest most straightforward summary and how to guide for presuppositional apologetics now in print It is both informative and practically helpful I believe you will find it an extremely useful tool whether you are an professor at the seminary level seeking supplemental reading material or just a simple lay person looking for practical answers Pastor McManis writes with crisp clarity in a way that is certain to give you fresh insight into what Scripture teaches about the defense of the Christian faith I wish this book had been available when I was studying apologetics in seminary John MacArthur Pastor Teacher Grace Community Church President of The Masters College and Seminary Cliff has rescued the discipline from the elite circle of the intelligentsia and returned it as a biblical theology of truth communication to the common people i e to all believers This volume will be of great help in the restoration of the practicality of biblical apologetics as it was exemplified in the early Church Hopefully today's readers will be able to understand and put into practice the true nature of Peter's command in 1 Peter 3:15 as it is strategically situated in its defining context George J Zemek Academic Dean The Expositors Seminary Jupiter Florida

Explanation LEMUEL BAKER Ph.D, 2012-02-29 I believe the reason many in the media in academia and in politics have not accepted the gospel is we as Christians have not explained the gospel to them in a manner that makes sense If people understood the gospel they would receive it When the gospel message is understood they would like it because it is good news that brings happiness to a hopeless soul The central goal for Christian Apologetics is most purely stated as handling objections and further honest objections standing in the way of individuals coming to faith In this compact book designed concisely for busy people who need solid answers about the Christian belief system one will come away with solid answers and with the awakening of logical and critical thinking regarding biblical claims Disciplines such as Archeology History Astronomy Jewish Studies and Natural Sciences are separate disciplines that support bible claims and when explored give peace of mind to adherents of Christianity but also to those of other belief systems who seek an objective scholarly study of the Christian Bible Apologetics which means a defense of the faith to defend a position to persuade providing evidence sufficient to bringing a trial from an arraignment stage to a full blown trial which was recorded by the Apostle Peter and engaged by the Apostle Paul in a literal sense when he stayed in Corinth for a year and a half just to teach to reason with and to answer questions for the Corinthian believers and seekers who had honest questions The Apostle Paul also engaged apologetics when persuading King Agrippa and Festus The great Apostle Paul knew by the leading of The Holy Spirit when to preach when to teach and when to sit with people and when to answer their questions so that the

barriers to their believing would be removed See Acts 18 11 which records So Paul stayed in Corinth for a year and a half teaching them the word of God I believe the reason many in the media in academia and in politics have not accepted the gospel is we as Christians have not explained the gospel to them in a manner that makes sense If people understood the gospel they would receive it You are in for a treat and instant growth just by reading this 103 page book The contents are concise but derived from a first year seminary level course in Christian Apologetics formatted for a busy person to read in short bites You wont be the same God Bless You *Elementary Apologetics (Teacher Guide)* Craig Froman,2017-03-01
