Download God Politics Esther Yoram Hazony:

The Politics of God Hugh J. Schonfield, In *The Politics of God* Hugh Schonfield builds upon his controversial best seller *The Passover Plot* to reveal the vision which had been driving him most of his life In searching for the common roots of Judaism and Christianity he uncovers Jesus the Jew and the Messiah for all people Calling on a wide range of thinkers as well as his extensive historical and biblical research he exposes Jesus the Messiah as the founder not of a religion but of a nation set apart to the service of Mankind This renowned historian seeks an answer to the difficulties in discovering a solution in today's religions as well as the disillusionment with state politics inability to find an answer to peace in the world Hugh Schonfield uncovers an ancient idea which he believes to be the only possible solution to Humankind's dilemma the Politics of God

In God's Shadow Michael Walzer, 2012-06-05 In this eagerly awaited book political theorist Michael Walzer reports his findings after decades of reading and thinking about the politics of the Hebrew Bible Attentive to nuance while engagingly straightforward Walzer examines the commentary of the ancient biblical writers and discusses the implications for such urgent modern topics as the nature of political society hierarchy and justice the use of political power the justification for and rules of warfare and the responsibilities of clerical figures monarchs and their subjects

DIV Because there are many biblical writers and because they represent different political views pluralism is a central feature of biblical politics Walzer observes Yet pluralism is never explicitly defended in the Bible indeed it couldn't be defended since God's word is one There is however an anti-political teaching which recurs in biblical texts if you have faith in God you have no need for particular political institutions or prudent political leaders or deliberative assemblies or loyal citizens And Walzer finds a strong moral teaching common to the Bible's authors He identifies God's decree for ethics and investigates its implications for just policymaking in our own times
