

JUDAS

The Most Hated Name In History

Peter Stanford

"Fascinating from start to finish . . . a richly detailed portrait [that] neatly debunks the idea of Judas Iscariot as the most evil man who ever lived." —ALEXANDER LARMAN

Judas Peter Stanford,2015 **Judas** Peter Stanford,2015-03-12 In this fascinating historical and cultural biography writer and broadcaster Peter Stanford deconstructs that most vilified of Bible characters Judas Iscariot who famously betrayed Jesus with a kiss Beginning with the gospel accounts Peter explores two thousand years of cultural and theological history to investigate how the very name Judas came to be synonymous with betrayal and ultimately human evil But as Peter points out there has long been a counter current of thought that suggests that Judas might in fact have been victim of a terrible injustice central to Jesus mission was his death and resurrection and for there to have been a death there had to be a betrayal This thankless role fell to Judas should we in fact be grateful to him for his role in the divine drama of salvation You ll have to decide as Bob Dylan sang in the sixties Whether Judas Iscariot had God on his side An essential but doomed character in the Passion narrative and thus the entire story of Christianity Judas and the betrayal he symbolises continue to play out in much larger cultural histories speaking as he does to our deepest fears about friendship betrayal and the problem of evil Judas the ultimate traitor or the ultimate scapegoat This is a compelling portrait of Christianity s most troubling and mysterious character *Misreading Judas* Robert Wahler,2016-09-17 This book received The New Pinnacle Award The Gospel of Judas is the most important discovery in history It bridges the gap between Eastern mystic teaching Gnosticism and the three Middle Eastern Abrahamic religions informing all of them Unfortunately the Christianity biased scholars assigned to its interpretation and those who have followed them do not understand it at all They miss that Judas is the gnostic sacrifice and that there is no traditional orthodox Jesus sacrificed in the Gospel of Judas or in the Bible Therefore they miss the most important revelation of all time that Jesus didn t die to save anyone and that he was in truth preceded and succeeded by other Masters of equal stature Here from gnostic texts that only just recently arose from the desert sands of Egypt phoenix like is the detailed story of how the New Testament canonical Betrayal of Jesus became the inversion of the gnostic mastership installation story of James the Just first century savior The true origin of the Christian message and its nullification of mystic Truth can now at long last be fully told Connecting verses from the Gnostic Apocalypse of James to the New Testament narrative showing that Judas was James in the Canonical Inversions First Apocalypse of James I have given you a sign NHC 24 10 gave them a sign the kiss Matt 26 48 Cup of bitterness to the sons of light 25 15 let this cup pass from me Matt 26 39 This is the second Master 30 25 Those who seek enter through you Second Apoc 55 1 I know whom I have chosen John 13 18 Then the disciples dispersed but James remained in prayer 30 25 he withdrew and prayed Luke 22 41 I am he who was within me 31 15 I know whom I have chosen and I am he John 13 18 19 You have embraced and kissed me 32 5 He said Hail Master and kissed him Matt 26 49 You are aware and stopped this prayer 32 5 Sit here while I pray Matt 26 36 The flesh is weak 32 20 the flesh is weak Matt 26 41 It will receive what has been ordained for it 32 20 thy will be done Matt 26 42 A multitude will arm themselves against you 33 5 band of soldiers with weapons John 18 3 Mark 14 43 Also by the

author The Bible says Saviors Obadiah 1 21 from Xlibris Publishers **Judas** Charles River Charles River Editors,2017-12-20 Includes pictures Includes Scripture passages about Judas s life and betrayal Explains arguments over the Gospel of Judas Includes a bibliography for further reading And Judas went to the chief priests and the officers of the temple guard and discussed with them how he might betray Jesus They were delighted and agreed to give him money He consented and watched for an opportunity to hand Jesus over to them when no crowd was present Luke 22 4 6 Even someone with a casual knowledge of the Bible will recognize the name Judas Iscariot Well known as the disciple who betrayed Jesus the Messiah with a kiss Judas has become synonymous with betrayal and deception The most infamous of the Apostles Judas goes from true follower to a turncoat who seemingly sacrifices the cause for personal benefit Not surprisingly the names of the other disciples will appear in birth registries around the world except for Judas whose name is still associated with suspicion and even fear It goes without saying that Judas is an interesting character in the development of the salvation history His person his act of betrayal and even his replacement were predicted by the Old Testament prophets which some Biblical scholars take as evidence that Judas was doomed from the beginning to be the betrayer and had no choice But by taking a closer look at the history the reader will see several points along the way even up to the moment of the final kiss in which Jesus gave Judas the opportunity to repent God s plan was going to be fulfilled and God was going to use an individual to bring about the betrayal of Jesus but at the same time Judas made several conscious choices along the way to reject the Messiah and turn Jesus over to the Roman authorities Like many other teachings of the Bible the infinite wisdom of God and the finite understanding of man clash in the life of Judas Divine sovereignty predetermined that Judas would be the betrayer yet the free will of man allowed him to make his own decisions At the same time a relatively recent discovery has cast doubt on the traditional understanding of Judas s life and actions The Gospel of Judas a Gnostic text purportedly written in the 3rd or 4th century A D casts Judas as a hero who directly follows Christ s explicit orders and accepts the weight of being responsible for Christ s death as the price to pay for being one of the chosen In this controversial account Judas is actually portrayed as the one who is favored by Jesus and worthy of praise while the other 11 disciples are characterized as not understanding the true nature of God Not surprisingly this lost gospel has brought about considerable controversy both over the authenticity of the text and the validity of what was written in it Judas The Life of the Apostle Who Betrayed Jesus explores the known and unknown of the life of Judas and the actions that led to Christ s crucifixion This book looks at the Biblical narrative of the disciple to gain an understanding of his position in the Gospels Digging into the Biblical record and accompanying that record with cultural and historical facts readers can begin to understand the character of this disciple turned betrayer It also looks at the controversial Gospel of Judas a text purporting to present an alternative account of the relationship between Jesus and Judas Along with pictures and a bibliography you will learn about Judas like never before in no time at all **THE LOST GOSPEL of JUDAS ISCARIOT** Devon J Williams,2025-06-26 Some stories are enabled by

divine order Before dawn on the day after Passover Judas Iscariot took up his pen one last time The rope waited The field of blood beckoned But first he had to tell his truth What if the betrayer's kiss was not treachery but liberation What if Christ chose his own executioner For two thousand years Judas has been history's ultimate villain the betrayer who sold the Son of God for thirty pieces of silver But what if we've been reading the story wrong Drawing from the canonical Gospels and the explosive Gnostic Gospel of Judas discovered in Egypt this historical reconstruction gives voice to Christianity's most hated man Through his own testimony we encounter a different Judas educated where the others were simple calculating where they were impulsive and perhaps most tragically the only disciple who truly understood what Jesus was asking of him You will sacrifice the man that clothes me Jesus whispered to Judas alone If the Son does nothing alone who guided the betrayer's hand This manuscript doesn't excuse Judas it explains him Through his eyes we witness The secret teachings Jesus shared with individual disciples The growing opposition that made the crucifixion inevitable The terrible moment when Jesus gave him the bread and commanded What you must do do quickly The unbearable weight of being chosen for history's darkest role Was Judas a failed revolutionary trying to force Jesus to reveal his power A tragic figure who loved his master but couldn't accept a suffering Messiah Or the only disciple strong enough to turn the key that would free the Light of the World from its prison of flesh Through tears and revelation calculation and mysticism human anguish and cosmic purpose Judas's final testimony forces us to confront the most uncomfortable questions of faith Can there be salvation without a betrayer If God orchestrates all things who bears the guilt And most haunting of all could Judas have been forgiven if he'd only waited three more days Remember me if at all as the one who saw too much and loved too terribly to let him stay Perfect for readers of historical fiction biblical scholarship and anyone who's ever wondered about the human heart behind history's most infamous act This work includes a comprehensive theological analysis exploring divine necessity versus human choice the nature of forgiveness and what Judas's story reveals about our own capacity for both devotion and betrayal Not all stories end in redemption Some end with a tree a rope and love that destroyed itself through understanding too well
