Big Sam: My Autobiography Sam Allardyce, 2015-10-20 Football fans will love this insight into the life and mind of Big Sam. With nearly 20 years as a player plus almost 25 years as a coach and manager under his belt, Sam Allardyce is one of the most recognisable figures in British football. Big Sam has been a robust defensive general throughout the seventies and eighties and an imposing touchline presence as a gaffer since 1994. Over the last four decades, Allardyce has seen it all. The game he so loves is radically different to that in which he made his debut back in 1973, and in telling his wonderfully colourful story for the very first time, Allardyce talks intriguingly about the changing face of players and managers. His autobiography positively crackles with characteristic insight, honesty and hard-hitting opinions. **Get Ready for 4th Grade Reading**
