Christianity and Social Change in Contemporary Africa: Volume One B. Nyamnjoh, A. Carpenter, 2020-05-25 This volume brings together seven empirically grounded contributions by African social scientists of different disciplinary backgrounds. The authors explore the social impact of religious innovation and competition in present day Africa. They represent a selection from an interdisciplinary initiative that made 23 research grants for theologians and social scientists to study Christianity and social change in contemporary Africa. These contributions focus on a variety of dynamics in contemporary African religion, mostly Christianity, including gender, health and healing, social media, entrepreneurship and inter-religious borrowing and accommodation. The volume seeks to enhance understanding of religion's vital presence and power in contemporary Africa. It reveals problems as well as possibilities, notably some ethical concerns and psychological maladies that arise in some of these new movements, notably neo-Pentecostal and militant fundamentalist groups. Yet the contributions do not fixate on African problems and victimization. Instead, they explore sources of African creativity, resiliency and agency. The book calls on scholars of religion and religiosity in Africa to invest new conceptual and methodological energy in understanding what it means to be actively religious in Africa today. *What the Bible Says* Randy L. Henne, 2020-11-12 *What the Bible Says* takes the reader beyond the old familiar Bible stories to examine its fundamental messages. What is God like? Why is the world in the mess it's in? Does God have a solution? What does He want us to do? Why should we care? The Bible is not just a book of ancient stories; it has real meaning and purpose for us today. **What Is God Really Like?** Craig Groeschel, 2010 In conjunction with ONE PRAYER, a month-long multi-church campaign unifying many different diverse churches nationwide, this compilation book features reflections by 17 of the best and brightest participating pastors, including Andy Stanley, Francis Chan, Jentezen Franklin, Perry Noble, Steven Furtick, and others. [What Is God Really Like? Expanded Edition](#) Craig Groeschel, 2010-11-23 Craig Groeschel, www.lifechurch.tv, and his church have hosted an international multichurch campaign called One Prayer, a month-long concerted focus on unifying the many different diverse churches participating by praying together and serving their local communities. In 2009, One Prayer campaign attracted over two thousand churches and over one million church members. Many of these churches are high-profile evangelical churches with pastors who are also successful authors and speakers. The campaign continues to attract interest from more and more churches and ministries. The 2010 campaign, scheduled for June, is expected to grow by 50 percent. This compilation book features chapters by seventeen passionate church leaders, including Andy Stanley, Francis Chan, Jentezen Franklin, Perry Noble, Steven Furtick, and others. **The Living Church**, 2002-06 **Prophecy** Chris Oyakhilome, 2005 **Recreating Your World**, 2007 [Chicago Tribune Index](#), 2006 *New Mexico Magazine*, 2006-07 *Healing From Heaven* Chris Oyakhilome PhD, 2010-05-04 **Unlocking Kingdom Power** Tom Loud, 2022-01-01 Are you hungry to see God healing people?
