African Cinema and Human Rights Mette Hjort, Eva Jørholt, 2019-03-01 Bringing theory and practice together African Cinema and Human Rights argues that moving images have a significant role to play in advancing the causes of justice and fairness The contributors to this volume identify three key ways in which film can achieve these goals documenting human rights abuses and thereby supporting the claims of victims and goals of truth and reconciliation within larger communities legitimating and consequently solidifying an expanded scope for human rights and promoting the realization of social and economic rights Including the voices of African scholars scholar filmmakers African directors Jean Marie Teno and Gaston Kabor and researchers whose work focuses on transnational cinema this volume explores overall perspectives and differences of perspective pertaining to Africa human rights and human rights filmmaking alongside specific case studies of individual films and areas of human rights violations With its interdisciplinary scope attention to practitioners self understandings broad perspectives and particular case studies African Cinema and Human Rights is a foundational text that offers questions reflections and evidence that help us to consider film s ideal role within the context of our ever continuing struggle towards a more just global society

Reclaiming the Black Past Pero Dagbovie, 2018-11-13 In this information overloaded twenty first century it seems impossible to fully discern or explain how we know about the past But two things are certain Whether we are conscious of it or not we all think historically on a routine basis And our perceptions of history including African American history have not necessarily been shaped by professional historians In this wide reaching and timely book Pero Gaglo Dagbovie argues that public knowledge and understanding of black history including its historical icons has been shaped by institutions and individuals outside academic ivory towers Drawing on a range of compelling examples Dagbovie explores how in the twenty first century African American history is regarded depicted and juggled by diverse and contesting interpreters from museum curators to film makers entertainers politicians journalists and bloggers Underscoring the ubiquitous nature of African American history in contemporary American thought and culture each chapter unpacks how black history has been represented and remembered primarily during the Age of Obama the so called era of post racial American society Reclaiming the Black Past The Use and Misuse of African American History in the 21st Century is Dagbovie s contribution to expanding how we understand African American history during the new millennium
