Displacing Whiteness Essays In Social And Cultural Criticism 1st First Edition:

The Palgrave Handbook of Theatre and Race Tiziana Morosetti, Osita Okagbue, 2021-04-20 The first comprehensive publication on the subject this book investigates interactions between racial thinking and the stage in the modern and contemporary world with 25 essays on case studies that will shed light on areas previously neglected by criticism while providing fresh perspectives on already investigated contexts Examining performances from Europe the Americas the Middle East Africa China Australia New Zealand and the South Pacific islands this collection ultimately frames the history of racial narratives on stage in a global context resetting understandings of race in public discourse *Understanding and Managing Sophisticated and Everyday Racism* Victoria Showunmi, Carol Tomlin, 2022-03-31 Sophisticated Racism Understanding and Managing the Complexity of Everyday Racism adopts a fresh approach to the study of racism Victoria Showunmi and Carol Tomlin identify the prevalence of sophisticated racism and explore how it manifests itself in society particularly in the workplace The authors narrate examples of everyday racism from the lived experiences of Black women They take the reader on a compelling journey from the sources of racism through narratives of disquieting racist events to the destination of affirming approaches to preserving a sense of self and individual identity in the face of sophisticated racism The authors explain how the interplay between Black women and White women originates in historical patterns of behavior which emerged on the plantations during enslavement The term White women syndrome has been coined to represent attempts to defend the limited space for female success by denigrating and excluding Black women A unique feature of the book is that it reaches beyond the historical context to the provision of strategies for managing sophisticated and everyday racism in contemporary society Displacing Whiteness Ruth Frankenberg, 1997-09-22 A collection of anti racist critical essays on the specific localized constructions of whiteness white identities and white privilege edited by the author of the very successful *White Women Race Matters* U Minn **Handbook of Feminist Family Studies** Sally A. Lloyd, April L. Few, Katherine R. Allen, 2009-04-14 The Handbook of Feminist Family Studies presents the important theories methodologies and practices in feminist family studies The editors showcase feminist family scholarship providing both a retrospective and a prospective overview of the field and creating a scholarly forum for interpretation and dissemination of feminist work Racism Albert J. Wheeler, 2005 Of all mankind's vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature **On Video Games** Soraya Murray, 2017-10-30 Today over half of all American households own a dedicated game console and gaming industry profits trump those of the film industry worldwide In this book Soraya Murray moves past the technical discussions of games and offers a fresh and incisive look at their cultural dimensions She critically explores blockbusters like *The Last of Us* *Metal Gear Solid* *Spec Ops* *The Line* *Tomb Raider* and *Assassin's Creed* to show how they are deeply entangled with American

ideological positions and contemporary political cultural and economic conflicts As quintessential forms of visual material in the twenty first century mainstream games both mirror and spur larger societal fears hopes and dreams and even address complex struggles for recognition This book examines both their elaborately constructed characters and densely layered worlds whose social and environmental landscapes reflect ideas about gender race globalisation and urban life In this emerging field of study Murray provides novel theoretical approaches to discussing games and playable media as culture Demonstrating that games are at the frontline of power relations she reimagines how we see them and more importantly how we understand them **Journal of International Students 2017 Vol 7 Issue 2** JIS Editors,2017-02-04 An

Environment and Planning ,2001 [United States Relations with South Africa](#) Y. G.-M. Lulat,2008 Relations between the United States and South Africa or the parts of the world these nations now occupy go nearly as far back as the very beginning of their inception as permanent European colonial intrusions This book is a critical overview of these relations from the late seventeenth century to the present Unprecedented in its scope and supported by substantive and detailed notes together with an extensive bibliography chronology glossary and appendices the book distinguishes itself from extant works in a number of other ways Set against the backdrop of a wider interdisciplinary exploration of both ideational and structural issues of historical context it not only gives attention to the importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geo political location of South Africa within southern Africa where the presence of other nations particularly Angola Mozambique Namibia and Zimbabwe looms large Methodologically written from the perspectives of both traditional narrative history and Khaldunian interpretive historical analysis the book consequently sits at the interdisciplinary interstice of political economy and sociology where the aim is to advance our understanding of the Braudelian interconnectedness of world history as an important diachronic determinant of the diplomacy of foreign relations Written for both scholars and policy analysts this book s examination of the agency of the marginalized should also be of interest to activists and the reading public **BOOK JACKET** *Recapturing the Personal* Irving

Epstein, 2007 This volume explores theoretical and practical applications of embodied knowledge in education focusing on the contributions of Foucault Bourdieu and Butler It provides a sampling of important theoretical positions in the sociology of the body literature rather than a comprehensive review Forthcoming Books Rose Army, 1997 In Conflict and Order D. Stanley Eitzen, Maxine Baca Zinn, 2004 Broadly viewing the global economy as a political competition that produces winners and losers International Political Economy holistically and accessibly introduces the field of IPE to readers with limited background in political theory history and economics This book surveys major interests and institutions and examines how state and non state actors pursue wealth and power Emphasizing fundamental economic concepts as well as the interplay between domestic and international politics International Political Economy not only explains how the global economy works it also encourages readers to think critically about how economic policy is made in the context of globalization The British National Bibliography Arthur James Wells, 2000 **The Making and Unmaking of Whiteness** Birgit Brander Rasmussen, 2001-09-07 A collection of new essays in race theory drawn from the 4 97 Berkeley conference *Towards the Abolition of Whiteness* David R. Roediger, 1994-03-17 Counting the costs of whiteness in the American past and present *Colored White* David R. Roediger, 2002-05 In this splendid book David Roediger shows the need for political activism aimed at transforming the social and political meaning of race No other writer on whiteness can match Roediger's historical breadth and depth his grasp of the formative role played by race in the making of the nineteenth century working class in defining the contours of twentieth century U S citizenship and social membership and in shaping the meaning of emerging social identities and cultural practices in the twenty first century George Lipsitz author of *The Possessive Investment in Whiteness* David Roediger has been showing us all for years how whiteness is a marked and not a neutral color in the history of the United States *Colored White* with its synthetic sweep and new historical investigations marks yet another advance In the burgeoning literature on whiteness this book stands out for its lucid unjargonridden lively prose its groundedness its analytic clarity and its scope Michael Rogin author of *Blackface White Noise* **Look, A White!** George Yancy, 2012-05-06 *Look a White* returns the problem of whiteness to white people Prompted by Eric Holder's charge that as Americans we are cowards when it comes to discussing the issue of race noted philosopher George Yancy's essays map out a structure of whiteness He considers whiteness within the context of racial embodiment film pedagogy colonialism its danger and its position within the work of specific writers Identifying the embedded and opaque ways white power and privilege operate Yancy argues that the Black countergaze can function as a gift to whites in terms of seeing their own whiteness more effectively Throughout *Look a White* Yancy pays special attention to the impact of whiteness on individuals as well as on how the structures of whiteness limit the capacity of social actors to completely untangle the way whiteness operates thus preventing the erasure of racism in social life
