Distant Mirrors America As A Foreign Culture

James M. Mandiberg

Distant Mirrors America As A Foreign Culture:

Distant Mirrors Philip R. DeVita, 2015-12-16 Most young students of American culture believe many of the cultural assumptions they grow up with are universal As insiders speaking a common language following the accepted patterns of behavior embedded in a particular way of life most of us take our own social actions for granted and it is a challenge to realize the strangeness and wonder of our own behaviors The distinct aim of each edition of this popular classroom supplement has been to enable students to better understand themselves by casting American culture into sharper relief offering other mirrors other reflections The latest edition s twenty one personalized narratives of which seven are new unveil fresh portrayals of American culture Each contribution offers unique ethnographic perspectives of various aspects of American culture that enable us to better understand ourselves

Distant Mirrors Philip R. DeVita, James D. Armstrong, 2002 This book consists of essays written by anthropologists and other scholars using an ethnographic perspective to interpret aspects of American culture These essays enable readers to understand themselves better by focusing on others in their cultures giving anthropology a comparative perspective that provides a reflective lens for understanding ourselves in the world in which we live

Distant Mirrors Philip R. DeVita, James D. Armstrong, 2010-03-15 Written by anthropologists and other scholars using an ethnographic perspective to interpret aspects of American culture these essays enable students to understand themselves better by focusing on others in their cultures giving anthropology a comparative perspective that provides a reflective lens for understanding ourselves in the world in which we live The essays were chosen for their perceptiveness and readability they avoid jargon and heavy analysis

American Culture Larry Naylor, 1998-02-24 America like other modern nations is characterized by its diversity and can be seen as a complex and fragmented nation state Yet an American culture defined by those beliefs and behaviors that all Americans do share irrespective of their other cultural affiliations does exist This book presents an innovative approach to the issues and aspects in the study of America s unique culture The real diversity of America is lost in the practice of categorizing people into social racial or ethnic groups and then attributing culture to them While not an exhaustive treatment of the culture this volume serves as a point of departure for discussions of American culture in a variety of courses both within and outside the discipline of anthropology Each chapter is accompanied by suggested readings to enable the student to pursue a more in depth study of any individual topic

Reflecting on America Clare L. Boulanger, 2017-07-05 Anthropologists travel back in time and across the globe to understand human culture but surprise there is culture right here in the United States This second edition of the best selling textbook and anthology *Reflecting on America* again focuses on how we can recognize the common cultural thread running through diverse American phenomena from heroin addiction and Big Business s efforts to shape the identities of children to Civil War reenactments and the popularity of burlesque in the Midwest In addition this second edition includes chapters written especially for this volume on striptease Burning Man The Big Bang Theory TV show

and Groundhog Phil Written throughout with verve and quirky humor and offering Questions for discussion after every article this book is perfect for undergraduate classes in anthropology and American studies Drawing together twenty two scholars with expertise in anthropological ideas about culture Reflecting on America examines what it means to be American

Distant Mirrors Philip R. DeVita, James D. Armstrong, 1998 The Second Edition consists of 19 essays written by anthropologists and other scholars using an ethnographic perspective to interpret aspects of American culture These essays enable students to understand themselves better by focusing on others in their cultures giving anthropology a comparative perspective that provides a reflective lens for understanding ourselves in the world in which we live The essays were chosen for their perceptiveness and readability they avoid jargon and heavy analysis America Observed Virginia R. Dominguez, Jasmin Habib, 2016-12-01 There is surprisingly little fieldwork done on the United States by anthropologists from abroad America Observed fills that gap by bringing into greater focus empirical as well as theoretical implications of this phenomenon Edited by Virginia Dominguez and Jasmin Habib the essays collected here offer a critique of such an absence exploring its likely reasons while also illustrating the advantages of studying fieldwork based anthropological projects conducted by colleagues from outside the U S This volume contains an introduction written by the editors and fieldwork based essays written by Helena Wulff Jasmin Habib Limor Darash Ulf Hannerz and Moshe Shokeid and reflections on the broad issue written by Geoffrey White Keiko Ikeda and Jane Desmond Suitable for introductory and mid level anthropology courses America Observed will also be useful for American Studies courses both in the U S and elsewhere **Immigrant Teachers, American Students** N. Florence, 2011-01-03 Teachers as often as students articulate frustrations over each other's choices and expectations A teacher's demand for respect may appear an imposition and abuse of authority to students accustomed to speaking out against perceived injustices All teachers experience some tentativeness especially in an unfamiliar environment Since classroom decisions tend to be immediate choices reflect learned attitudes and behaviors as much as logical decision making procedures Florence explores the cross cultural complexities of teacher student interactions particularly African immigrant teachers Despite the emotional aggravations cultural misunderstandings offer forums for a reassessment of views acknowledgement of differences and initiative for positive change *Voyages* Cathy A. Small, 2011-11-15 In Voyages Cathy A Small offers a view of the changes in migration globalization and ethnographic fieldwork over three decades The second edition adds fresh descriptions and narratives in three new chapters based on two more visits to Tonga and California in 2010 The author whose role after thirty years of fieldwork is both ethnographer and family member reintroduces the reader to four sisters in the same family two who migrated to the United States and two who remained in Tonga and reveals what has unfolded in their lives in the fifteen years since the first edition was written The second edition concludes with new reflections on how immigration and globalization have affected family economy tradition political life identity and the practice of anthropology Essentials of Cultural Anthropology Garrick Alan Bailey, James

Peoples,2002 This text is a brief more affordable version of the Peoples and Bailey HUMANITY AN INTRODUCTION TO CULTURAL ANTHROPOLOGY Fifth Edition 2000 Its coverage of core topics smaller size and economical price make it well suited for instructors who wish to adopt a core text along with supplemental texts such as readers and ethnographies The text shares in a briefer format the same rich characteristics that made HUMANITY a best seller over the years strong scholarship rich ethnographic examples and a unique focus on modern ethnicity and the survival of indigenous peoples

Study Abroad 101 Wendy Williamson,2008 Completely revised updated 1 2010 and nothing short of a masterpiece for the modern day student this book presents everything US college students need to know about Education Abroad from before they select a program to after they return through 101 easy to navigate sections It is highly recommended for education abroad students advisors faculty orientations and courses Of special note are the Top Secrets to make studying abroad an emerging educational experience for the whole person

Mistaking Africa Curt Keim,1999-07-15 Keim addresses the most prevalent American misconceptions about Africa and demonstrates how these prevent an accurate understanding of the enormously diverse people and cultures of Africa Mistaking Africa is not specifically about Africa but about thinking about Africa BOOK JACKET *Humanity & Society* ,2006 *War and Its Uses* Jürgen Kleist,Bruce A. Butterfield,1999 Not

intellectual profiteering exactly but the creative responses to war are the subject of the 19 essays from a symposium for which neither date nor location is identified They focus on large conflicts of the 20th century involving the US and smaller ones in Spain Israel and Ireland but also consider medieval chivalric contests and one even looks at the literary and scientific responses to insect wars Annotation copyrighted by Book News Inc Portland OR Crossroads ,2003 Strategic Technology Transfer in the Human Services James M. Mandiberg,2000 *Good Intentions* Joylin Namie,2001

International Journal of Educational Reform ,2001 **Beyond the Issues** Pamela Sue Morgan,1998 **Sociology** Linda L. Lindsey,2002 The new edition of this introductory text has an online component an access code is provided with the book Lindsey Maryville U of St Louis and Beach Kentucky Wesleyan College introduce major theoretical perspectives then apply them throughout the text in chapters addressing various aspects

Distant Mirrors America As A Foreign Culture Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable.
