## **Distraction Years From Home Trilogy:**

Distraction Tess Oliver, 2013-01-28 Distraction is book 1 of Tess Oliver's Years from Home trilogy. As false accusations of witchcraft consume Salem Village, eighteen-year-old Poppy Seabrooke, a true witch, is content to stay away from the hysteria and more importantly from the relentless advances of Angus Wolfe, a powerful warlock masquerading as Salem's pastor. When Poppy uses her magic to help a young boy, she is arrested. Angus is the only person who can help her, but in return she must promise her hand in marriage. In desperation, Poppy's grandmother sends her two hundred years into the future to hide. Poppy finds herself years from home in the middle of a strange place called Montana, where rooms light up without candles or sorcery, steam puffing dragons roar across fields on tracks, and cows sprout horns as long as tree trunks. And while Poppy hides from the man who turns her heart cold as ice, she discovers the man who can set it on fire. Cade Tanner has always lived fast and hard, and he prefers it that way. The last thing he needs is a girl to distract him from running the cattle ranch his father left him. But Poppy, the sweetly innocent beauty with the soft smile and dark eyes who seemingly fell from the sky, is tough to ignore. But Cade soon finds that falling for Poppy comes with a dangerous price.      **Distractions** Debbie

McGowan, 2020-04-24 A year has passed since Rob Simpson Stone received a photo of his nieces enjoying a night out unaware their photographer was one Anders Folden, a psychopathic hitman Rob helped to put away while working undercover for the Met Police Special Investigations Unit. Only Gray Fisher, Rob's former boss, now his business partner, is taking Rob seriously. The powers that be insist Rob and Gray are being paranoid; there's no proof the photo came from Folden, who's stayed off the authorities' radar long enough to have assumed a new identity and fled overseas. It takes a significant threat to Rob's son's life for anyone to question that assertion, but police protection is worth nothing when the target has friends in high places to bend and break the law to his will. Folden won't stop until he's completed his mission to fulfil a contract or end a personal vendetta. Rob and Gray are no longer sure which. What they do know is they need to find him before he finds them, with or without help from the authorities. The final instalment in the Gray Fisher trilogy      *Heart of the*
