Divine Healing Made Simple:

Divine Healing Made Simple Praying Medic, 2013-12-13 *Divine Healing Made Simple* is a training manual for the supernatural life. It not only covers the topic of divine healing but deliverance, raising the dead, making disciples, proclaiming the kingdom of God, dreams, fasting, words of knowledge, healing in the work place and in health care, and it takes a prophetic look at the future of healing. Isn't it time someone wrote a book that gives honest answers to the difficult questions you have about healing and the supernatural? Why are my prayers ineffective when I ask God to heal someone? Many people have prayed for my healing, so why am I still not healed? Does God want me to learn a lesson through physical suffering and sickness? I was miraculously healed through prayer, why have my symptoms returned? This book takes a bold new approach by addressing the questions about healing that many authors have avoided so far. Three chapters are devoted to the problems of why some people are not healed and why some people seem to lose their healing. The author answers these questions by sharing revelation he received through dreams from God. He also teaches from his many personal experiences and shares the observations of other healers. This is the first book on healing to harness the power of Facebook. By hosting discussion questions on Facebook, the author has collected the wisdom and experiences of hundreds of different healers. This may be the most comprehensive book on healing ever written. Praying Medic has worked as a paramedic for decades. He has prayed for many of his patients and seen them healed. You'll be encouraged and given hope for healing by the testimonies and dreams you'll read about in this book.

Divine Healing Made Simple Praying Medic, 2013-12-13 [Divine Healing Made Simple](#) Prosecutor Maninjwa, 2020-01-29 In this book we dissect all aspects of divine healing, the fact that all those who are in Christ can walk in it, it's part of our identity, why some people never experience it, and exactly what we must do and how in order for us to have great success whenever we're praying for ourselves or others for divine healing. *Divine Healing Made Simple* Francis Jonah, 2022-02-22 *Divine Healing is A Present Day Reality*. Thanks to the revelations in this book, you will overcome the frustration of trying to receive divine healing and seeing nothing. You have an inheritance of divine healing and health, even if you are not at the maturity to receive it. God has made provision for tutors and stewards to make sure that what you need, you have. That is what this book will do for you. It will release your divine healing, which is your heritage to you, so that you can know the goodness of God. God makes provision for His children, no matter the level they are at in life. I suffered much trying to receive divine healing for myself, and through that journey, I discovered critical revelations which must all come together for the believer to receive divine healing and walk in divine health. The individual revelations I applied didn't work because I lacked complete knowledge. This book contains epignosis, which is full knowledge that will bless you.
