What Disruptive Thinking Is, and Why You Should Be Doing It Luke Williams, 1900 This Element is an excerpt from *Disrupt Think the Unthinkable to Spark Transformation in Your Business* 9780137025145 by Luke Williams Available in print and digital formats Why incremental change is a recipe for disaster and what your business must do instead Successful companies often embrace incremental change because it supports their current business model Big mistake When a business makes only incremental changes they're on a path that gets narrower and narrower Eventually they reach the end and by then their customers have forsaken them for a new offering that nobody saw

After Disruption Trevor Owens, 2024-05-06 The digital age is burning out our most precious resources and the future of the past is at stake In *After Disruption A Future for Cultural Memory* Trevor Owens warns that our institutions of cultural memory libraries archives museums humanities departments research institutes and more have been disrupted and largely not for the better He calls for memory workers and memory institutions to take back control of envisioning the future of memory from management consultants and tech sector evangelists *After Disruption* posits that we are no longer planning for a digital future but instead living in a digital present In this context Owens asks how we plan for and develop a more just

sustainable and healthy future for cultural memory The first half of the book draws on critical scholarship on the history of technology and business to document and expose the sources of tech startup ideologies and their pernicious results revealing that we need powerful and compelling counter frameworks and values to replace these ideologies The second half of the book makes the case for the centrality of maintenance care and repair as interrelated frameworks to build a better future in which libraries archives and museums can thrive as sites of belonging and connection through collections

How to Craft a Disruptive Hypothesis Luke Williams,1900 This Element is an excerpt from Disrupt Think the Unthinkable to Spark Transformation in Your Business 9780137025145 by Luke Williams Available in print and digital formats Where revolutionary innovations begin How to create your own unreasonable provocation It starts with a wild question In Hollywood it might be What would happen if a shark swam into a resort and attacked a swimmer Jaws In video rentals What would happen if we eliminated late fees Netflix These revolutionary innovations began with a disruptive hypothesis a crazy way to end the question I wond
