Diversity Amid Globalization 6th Edition:

Diversity Amid Globalization Lester Rowntree, 2003 For undergraduate World Regional Geography courses Could also be used for a course on globalization Diversity Amid Globalization is an exciting contemporary approach to World Regional Geography that explicitly acknowledges the geographic changes that accompany today's rapid rate of globalization The book's unique approach gives students access to the latest ideas, concepts, and theories in geography while concurrently developing a strong foundation in the fundamentals of world regions The book helps professors engender a strong sense of place and an understanding of the connections within and between world regions NEW Expanded treatment of globalization in chapter 1 NEW New sections on global terrorism NEW Expanded discussion of environmental geography NEW New and refined maps in each chapter Provides students with the most recent population data and state-of-the-art cartography to display these data NEW ABC Videos NEW Mapping Workbook to accompany Diversity Amid Globalization 2 e Thematic Structure of Regional Chapters Fosters a more structured and penetrating treatment of geographic themes and concepts and facilitates

comparisons of specific Migration Theory Caroline B. Brettell, James F. Hollifield, 2022-07-01 The revised fourth edition of Migration Theory continues to offer a one-stop synthesis of contemporary thought on migration Editors Caroline B. Brettell and James F. Hollifield remain committed to include coverage that is comparative and global in scope while enhancing similarities and differences between one academic field and the next All chapters have been revised to highlight cutting-edge issues in the field of migration studies today The fourth edition welcomes two new authors Professors Marie Price and François Hiran to offer a fresh approach with their chapters on geography and demography respectively Designed for undergraduate and graduate courses in migration studies a primary goal of the text is to assist instructors in guiding students who may have little background on migration to understand important issues and the scientific debates This ensures Migration Theory is a highly valuable guide not only to the perspectives of one's own discipline but also to those of cognate fields

The Middle East and North Africa Alasdair Drysdale, 2024-10-15 This contemporary text the first in over a decade on the region presents the geography of the Middle East and North Africa defined as the Arab World Israel Turkey Iran and Afghanistan Thematically organized the book's eleven chapters focus on the region's physical and climatic setting demographic characteristics migration patterns religious and linguistic diversity political map offshore claims oil and gas resources and subregions and states Within this framework Drysdale emphasizes pressing current problems the impact of climate change in a region where some areas already suffer from extreme summer heat and aridity the challenge of providing additional water in a region where per capita availability of freshwater is already the lowest in the world the impact of high fertility and rapid population growth in a fragile environment where economies are often unable to absorb young workers entering the labor force the looming prospect of an aging population the effects of out and in migration the diverse impact and role of Islam in daily and public life the integrative consequences of linguistic and ethnic diversity the evolution and

imperfections of the political map ongoing territorial and boundary disputes that often have global repercussions external dependence on the region's prolific oil and gas resources and the extreme regional inequalities associated with their presence or absence This timely and insightful analysis is essential reading for students of the region who need a better understanding of key regional characteristics challenges and issues **Going to School in the Middle East and North Africa** Kwabena D. Ofori-Attah, 2008-07-30 The Middle East and North Africa are constantly in the news due to political turmoil and it is difficult for students in those countries to attend school and live the life of a child or teenager What is it really like This volume traces the history of education in countries of the Middle East and North African region identifying the types of education available for different genders and social classes and how race ethnicity and gender affect education for those students Primary Secondary and Post Secondary educational opportunities are examined along with curriculum and teaching methods Major reforms and philosophies are also presented Countries included are Algeria Morocco Tunisia Egypt Libya Saudi Arabia Iran Iraq Israel Jordan Syria Lebanon *Diversity Amid Globalization S/G* Obermeyer, 2002-09-12 Includes Learning Objectives Chapter Outlines and Practice Quizzes plus a supplemental chapter on how to read maps charts and tables appearing in the text *Diversity Amid Globalization* Rowntree, Les, Lewis, Martín, Price, Wyckoff, William,
