Lagasse,2009-08 Divorce is rampant in the world and in the Church The World Health Organization has named swine flu a pandemic because of its rapid spread around the world Divorce because of its rapid and out of control growth in the Church should be viewed as a Christian pandemic Divorce and Remarriage looks at three areas the problem the solution and how to get to the solution Divorce in the Christian church is a result of secular thinking and a biblical ignorance The Bible is full of illustrations of marital strife and its affects on family children and associates The solution is simple the Bible also gives explicit instructions and illustrations to the Christian so they can have a meaningful and fulfilling relationship The last step is the hardest how to arrive at the solution Divorce and Remarriage is not a self help book Christians cannot help themselves Jesus said he would send a helper the Holy Spirit Therein lies the solution In the power of the Holy Spirit we find the solution a transformed life Divorce and Remarriage is a call to Christians to take responsibility for their actions submit themselves under the authority of Scripture and find fulfillment in their next and last marriage Bill became a Christian while going through his second divorce He is a graduate of Word Of Life Bible Institute in Schroon Lake New York He has a bachelor of Arts degree is Church Education from Southeastern Bible College in Birmingham Alabama He is currently living with his wife in Sarasota Florida **Divorce and Remarriage** Andrew Cornes,2002 What does the Bible teach about Divorce May a Christian remarry during the lifetime of a divorced partner With the increasing number of divorces and second marriages such questions now touch every family and every church Cornes addresses these and other questions in a comprehensive and balanced manner Cornes begins his book with a theology of marriage and singleness examining all the significant Old and New Testament passages He concentrates especially on the teaching of Jesus and the interpretation of that teaching by Paul and the early church The second part of the book discusses the implications of the biblical teaching of pastoral ministry in the local church dealing with a host of real life questions in a practical way **Divorce and Remarriage in the Bible** David Instone-Brewer,2002-06-07 To many the New Testament s teaching on divorce and

remarriage seems to be both impractical and unfair The plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one s former spouse But are these proscriptions the final word for Christians today Are we correctly reading the scriptures that address these issues By looking closely at the biblical texts on divorce and remarriage in light of the first century Jewish and Greco Roman world this book shows that the original audience of the New Testament heard these teachings differently Through a careful exploration of the background literature of the Old Testament the ancient Near East and especially ancient Judaism David Instone Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present day readings Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds that both Jesus and Paul affirmed the Old Testament grounds for divorce that the Old Testament allowed divorce for adultery and for neglect or abuse and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce Instone Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships Enhanced with pastoral advice on how to apply the biblical teaching in today s context this volume will be a valuable resource for anyone seeking serious answers about married life

Disqualified? Dave Miller, 2021-04-22 I want to stick with what the Bible says No compromise The church has operated on the assumption that all divorce is always sin and disqualifies every man as serving as a pastor elder or deacon Variations from that position have been viewed as compromise of the Word of God After studying every passage in the Bible that deals with divorce and remarriage Dave Miller has come to a different position In *Disqualified* he examines the Old Testament evidence that sets the cornerstone and lays the foundation of the biblical teaching then looks at the framework constructed in Jesus radical teachings He examines the finishing touches put on by Paul especially in 1 Corinthians 7 establishing the key biblical teachings on divorce remarriage and ministry God s intent from creation was that marriage be a lifelong covenant between one man and one woman but in a world broken by sin also granted exceptions based on the hardness of the human heart After surveying the biblical evidence Dave Miller asks several key questions for individuals and churches to consider Have those who been divorced been permanently disqualified from leadership positions in churches What does the phrase husband of one wife mean The church cannot ignore this subject and must search the Scriptures to seek the mind of Christ on it Simply relying on tradition or doing what pleases people is not sufficient God s word is always right and Dave Miller is convinced that we need to take a new look at this difficult topic

Internationale Bibliographie der Rezensionen

wissenschaftlicher Literatur ,2004 **Putting Asunder** Stephen Clark,1999 **Remarriage after Divorce in Today's Church** Zondervan,2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus

exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion *Religion and mental health* Florence A. Summerlin,1980 **Marriage Divorce & Remarriage** Conrad Mbewe,2023-12-08 FROM THE FOREWORD Pastor Conrad Mbewe brings to us a combination of pastoral scholarly and biblical exegesis in opening up the subject matter in this book I encourage you to read this book with an objective mind and wrestle with the Scriptures that are presented in this book I am convinced that this book is an indispensable read for pastors elders and church members Do not wait to read the book when you are married or when your marriage is going through what is wrongly called irreconcilable problems Read it now to consolidate your marriage and to provide biblical counsel to others on the three sub topics Get a copy as soon as you can and actually read it You will not be disappointed This is truly a great work on the subject LAMA LAWRENCE Pastor of Ndola Baptist Church
