How To
Dissolve Your
Marriage
Without
Financial Disaster

"As a Superior Court judge, I have seen thousands of couples squander their estates unnecessarily in divorce proceedings. If you choose to have an attorney, you must know how to pick the right one and how to keep him or her under control. I wrote this to help you survive the dissolution of your marriage without the financial ruin most people face."

The Divorce Handbook for California Women Paul H. Nathan, 2019-01-08 Women faced with divorce require an attorney who can understand what they are facing. Author and attorney Paul H. Nathan has spent his career fighting for the rights of women in divorce cases, helping them achieve the results they deserve. From the Law Offices of Paul H. Newly revised and updated, it covers all new laws and reveals why it's so expensive to divorce in California. **Divorce in California** Debra Schoenberg, Jennifer Knops, 2013-06-01 Providing accurate and objective information to help make the right decisions during a divorce in California, this guide provides answers to 360 queries such as: What is the mediation process in California and is it required? How quickly can one get a divorce? Who decides who gets the cars, the pets, and the house? What actions might influence child custody? How are bills divided and paid during the divorce? How much will a divorce cost? and Will a spouse have to pay some or all attorney fees? Structured in a question and answer format, this divorce handbook provides clear and concise responses to help build confidence and give the peace of mind needed to meet the challenges of a divorce proceeding.
