Critical Literacy in the Early Childhood Classroom Candace R. Kuby, 2013 This book shares the author's transformative journey as a literacy teacher researcher examining her experience as a White middle class female Kuby argues that it is not enough for teachers to implement curricula and pedagogical strategies designed to foster inclusiveness Instead teachers must look inward questioning their personal histories biases and beliefs in order to develop better self awareness In this book Kuby reflects on how her self interrogation shaped her interactions with 5 and 6 year olds and influenced her critical literacy teaching If we wish to create an enlightened citizenry critical literacy needs to begin on the very first day of the first year of schooling

Jerome C Harste professor emeritus Indiana University What Candace shows us is that critical literacy is for all children and that critical literacies are ways of being that cut across time and space and move beyond the four walls of the classroom and beyond the regular school year From the Foreword by Vivian M Vasquez American University Washington DC In this very thought provoking book Candace Kuby uses both her own struggle with White privilege and that of her students to demonstrate the importance of cultivating critical consciousness through and in literacy even with those who are very young

Equity and justice for all can only be attained by practicing critical pedagogy for and with all children Gaile Cannella School of Social Transformation Arizona State University

Who Look at Me?! Durell M. Callier, Dominique C. Hill, 2019-01-21

Who Look at Me Shifting the Gaze of Education through Blackness Queerness and the Body explores how we as a society see Blackness and in particular Black youth Drawing on a range of sources the authors argue that the ability to operationalize the sentiment that BlackLivesMatter requires seeing Blackness wholly as queer and as a site of subversive knowledge production Continuing the work of June Jordan and Langston Hughes and based on their work as a Black queer artist collective known as Hill L Waters *Who Look at Me* provides alternative tools for reading about and engaging with the lived experiences of Black youth and educational research for and about Black youth In this way the book presents not only the possibilities of envisioning teaching and research practices but presents examples that embrace celebrate and make room for

the fullness of Black and queer bodies and experiences This work will appeal to those interested in emancipatory methodological and educational practices as well as interdisciplinary conversations related to sociocultural constructions of race and sexuality politics of Blackness and race in education

Teachers as Researchers Joe L. Kincheloe,2002-10-31 This book urges teachers as both producers and consumers of knowledge to engage in the debate about educational research by undertaking meaningful research themselves Teachers are now being encouraged to carry out research in order to improve their effectiveness in the classroom but this book suggests that they also reflect on and challenge the reductionist and technicist methods that promote a top down system of education The author a leading

proponent of qualitative research argues that only by engaging in complex critical research will teachers rediscover their professional status empower their practice in the classroom and improve the quality of education for their pupils

Postgraduate students of education and experienced teachers will find much to inspire and encourage them in this book

Updated and revised for this new edition it retains both its clarity and insistence on sound research practice Joe L Kincheloe is Professor of Education at the City University of New York Graduate Center and Brooklyn College he is the author and editor of many books on critical pedagogy and qualitative research in education Series Editor Ivor F Goodson **Current Index to Journals in Education** ,2002 *Qualitative Inquiry and the Politics of Research* Norman K Denzin,Michael D Giardina,2015-05-31 Cover Half Title Title Page Copyright Page Table of Contents Dedication Acknowledgments Introduction Qualitative Inquiry and the Politics of Research 1 An Unfinished Dialogue about Problematizing Knowledge Production in the Peer Review Process 2 Critical Qualitative Research in Global Neoliberalism Foucault Inquiry and Transformative Possibilities 3 Practices for the New in the New Empiricisms the New Materialisms and Post Qualitative Inquiry 4 The Work of Thought and the Politics of Research Post qualitative Research 5 Qualitative Data Analysis 2 0 Developments Trends Challenges 6 Critical Autoethnography as Intersectional Praxis A Performative Pedagogical Interplay on Bleeding Borders of Identity 7 Writing Myself into Winesburg Ohio 8 The Three Rs Remembering Revisiting Reworking How We Think but Not in Schools 9 Teaching Reflexivity in Qualitative Research Fostering a Research Life Style 10 Coda The Death of Data Index About the Authors *American Doctoral Dissertations* ,2001 Qualitative Inquiry Through a Critical Lens Norman Denzin,Michael Giardina,2016-04-14 This volume highlights work being done in qualitative inquiry through a variety of critical lenses such as new materialism queer theory and narrative inquiry Contributors ranging from seasoned academics to emerging scholars attend to questions of ontology and epistemology providing in the process insights that any qualitative researcher interested in the state of the field would find of value The authors re think taken for granted paradigms frameworks methodologies ethics and politics demonstrate major shifts in qualitative inquiry and point readers in new and exciting directions advocate for a critical qualitative inquiry that addresses social justice decolonization and the politics of research present plenary addresses and other key original papers from the 2015 International Congress of Qualitative Inquiry This title is sponsored by the International Association of Qualitative Inquiry a major new international organization which sponsors an annual Congress **Critical Qualitative Inquiry** ,2015 Critical approaches to qualitative research have made a significant impact on research practice over the past decade This comprehensive volume of contemporary original articles places this trend in its historical context describes the current landscape of critical work and considers the future of this turn The book includes contributions from some of the leading qualitative researchers on three continents consists of big picture articles that describe the dimensions of this research tradition situates critical qualitative inquiry in the overall development and landscape of qualitative research **Critical Qualitative Research in Social Education** Cameron

White,2015-03-01 Critical qualitative research informs social education through a lens that ensures the investigation of issues in education tied to power and privilege ultimately leading to advocacy and activism The concept of critical is increasingly challenged in this age of neoliberal reform nevertheless critical implies questioning investigating and challenging in terms of equity and social justice leading to critical consciousness Freire 1970 While we resist defining social education as hopefully these ideas concepts are fluid the idea stems from a continual analysis and synthesis of critical theory critical pedagogy media and cultural studies social reconstruction social justice and social studies education framed by culturally responsive pedagogy A social education take on critical qualitative research thus suggests multiple truths and perspectives and focuses on questions rather than answers While many have written on qualitative educational research and some have attempted to integrate critical pedagogy and qualitative research few have explored the specific idea of social education and critical qualitative research A major issue is that social education claims that there are no set procedures scripted approaches or narrow definitions as to the possibilities of research endeavors Social education researchers make the process and investigation their own and adapt questions procedures methods and strategies throughout the experience This reflects an ever changing criticality in the bricolage of the research Steinberg 2011 Critical qualitative research and social education are vital for the world of the 21st century The onslaught of neoliberalism corporatization standardization testing and the continuing attack on public schools and educators necessitate critical approaches to teaching and learning along with critical qualitative research in social education Ongoing issues with equity and social justice tied to race ethnicity class orientation age and ability linking to schooling education teaching and learning must be addressed The struggle between unbridled capitalism and democracy warrant these investigations in the 21st century hopefully leading to advocacy and activism
