### **Japanese Lesson Study In Mathematics: Its Impact, Diversity And Potential For Educational Improvement**

Masami Isoda,Max Stephens,Yutaka Ohara,Takeshi Miyakawa,2007-02-06 In Before It s Too Late A Report to the Nation from the National Commission on Mathematics and Science Teaching for the 21st Century 2000 in the US the authors quote from James Stigler s conclusions from various videotape research studies of mathematics teaching The key to long term improvement in teaching is to figure out how to generate accumulate and share professional knowledge Japanese Lesson Study has proved to be one successful means This book supports the growing movement of lesson study to improve the quality of mathematics education from the original viewpoints of Japanese educators who have been engaging in lesson study in mathematics for professional development and curriculum implementation This book also illustrates several projects related to lesson study in other countries *Interrogating Models of Diversity within a Multicultural Environment* Michael

Tonderai Kariwo,Neda Asadi,Chouaib El Bouhali,2019-05-28 Discussing common understanding of the concepts of multiculturalism diversity and inclusion this volume critically examines the interpretation and praxis of diversity and inclusion in relation to marginalized populations from women sexual minorities minority newcomers and aboriginal communities The contributors collected here present well grounded epistemological theoretical and methodological bases from which to account at least in part for the processes and dynamics shaping the relationship between diversity and inclusion on the one hand and policy and practice on the other Arising from research derived in part from community work with minorities in North America particularly Canada this volume examines common barriers to full minority integration with important implications for inclusion efforts around the globe *Storying Leadership for Equity, Diversity, and Inclusion*

Ambika Gopal Raj,Socorro Orozco,2024-09-17 This book positions the concept of Storying as integral to leadership in qualitative research drawing on a wide range of studies and perspectives by diverse minoritized leaders Presenting stories of leadership resistance diversity and cultural wealth these chapters highlight problems of practice from Latinx Black and BIPOC administrators special education teachers EOP community college students and parents including those undocumented Crucially the book showcases where leadership in place is exemplified through storying arguing that storying is more empowering in qualitative research since it acknowledges the identities and reflexivity of both the researcher and the researched This significant aspect of research methodology not only addresses cultural historicity but also fosters authentic representations of participant identities and lived experiences The chapters directly and innovatively address these power dynamics and show how they are re negotiated within spaces that are culturally relevant socially situated and historically constructed They demonstrate how through storying the limits of textual interpretations can be traversed This unique volume contributes to the growing literature on the largest minority group in the United States and is highly relevant to those with interests in educational leadership race and ethnicity research methods and qualitative research Funds of Knowledge in
