Displacing Human Rights War And Intervention In Northern Uganda:

Displacing Human Rights Adam Branch, 2011-06-01 Today Western intervention is a ubiquitous feature of violent conflict in Africa Humanitarian aid agencies community peacebuilders microcredit promoters children s rights activists the World Bank the International Criminal Court the U S military and numerous others have involved themselves in African conflicts all claiming to bring peace and human rights to situations where they are desperately needed However according to Adam Branch Western intervention is not the solution to violence in Africa but instead can be a major part of the problem often undermining human rights and even prolonging war and intensifying anti civilian violence Based on an extended case study of Western intervention into northern Uganda s twenty year civil war and drawing on Branch s own extensive research and human rights activism there this book lays bare the reductive understandings motivating Western intervention in Africa the inadequate tools it insists on employing its refusal to be accountable to African citizenries and most important its counterproductive consequences for peace human rights and justice In short Branch demonstrates how Western interventions undermine the efforts Africans themselves are undertaking to end violence in their own communities The book does not end with critique however Motivated by a commitment to global justice it proposes concrete changes for Western humanitarian peacebuilding and justice interventions as well as a new normative framework for re orienting the Western approach to violent conflict in Africa around a practice of genuine solidarity A key strength of the book is its ability to analyse and reveal common patterns in seemingly disparate and complex empirical instances of counterproductive human rights interventions in Uganda T his book should be required reading for all those working on various themes in Africa today The Journal of Modern African Studies This book provides a pessimistic but much needed critique of the history of foreign intervention in Northern Uganda Responsible discussions of foreign policy must consider the ways in which great power politics can hurt people in the name of protection this book is an excellent place to start that discussion The Christian Science Monitor

Virtual War and Magical Death Neil L. Whitehead, Sverker Finnström, 2013-04-19 The contributors to this provocative collection scrutinize the relations between anthropology and contemporary global war contending that modern high tech warfare is analogous to rituals of magic and sorcery and examining the U S military s exploitation of ethnographic research

Children Born of War: Challenges and Opportunities at the Intersection of War Tension and Post-War Justice and Reconstruction Sabine Lee, Susan Bartels, Heide Glaesmer, 2023-03-20

Uganda Jörg Wiegratz, Giuliano Martiniello, Elisa Greco, 2018-11-15 For the last three decades Uganda has been one of the fastest growing economies in Africa Globally praised as an African success story and heavily backed by international financial institutions development agencies and bilateral donors the country has become an exemplar of economic and political reform for those who espouse a neoliberal model of development The neoliberal policies and the resulting restructuring of the country have been accompanied by narratives of progress prosperity and modernisation and justified in the name of development But this

self celebratory narrative which is critiqued by many in Uganda masks the disruptive social impact of these reforms and silences the complex and persistent crises resulting from neoliberal transformation Bringing together a range of leading scholars on the country this collection represents a timely contribution to the debate around the New Uganda one which confronts the often sanitised and largely depoliticised accounts of the Museveni government and its proponents Harnessing a wealth of empirical materials the contributors offer a critical multi disciplinary analysis of the unprecedented political socio economic cultural and ecological transformations brought about by neoliberal capitalist restructuring since the 1980s The result is the most comprehensive collective study to date of a neoliberal market society in contemporary Africa offering crucial insights for other countries in the Global South **America in the World** Frank Costigliola, Michael J.

Hogan, 2013-12-23 This volume includes historiographical surveys of American foreign relations since 1941 by some of the country's leading historians Some of the essays offer sweeping overviews of the major trends in the field of foreign international relations history Others survey the literature on US relations with particular regions of the world or on the foreign policies of presidential administrations The result is a comprehensive assessment of the historical literature on US foreign policy that highlights recent developments in the field **Obama's Unending Wars** Jeremy Kuzmarov, 2019-07-20

Many academics consider Obama to have been a master foreign policy strategist and shrewd practitioner of the art of realpolitik This book demonstrates however that Obama in reality helped to institutionalize a permanent warfare state that resulted in gross human rights violations and contributed to America's strategic decline His perpetuation of the War on Terror created more enemies and prompted the United States to lose influence in the Middle East His Pivot to Asia policy intensified prospects for regional war while his unnecessary and willful military intervention destroyed Libya and drew the Russians in to protect Bashar al Assad who won Syria's civil war The Obama administration's heavy handed interference in Ukraine led to effective Russian counter moves promoting a strategic alliance with China and regional integration that is moving the world towards multi polarity Obama's Unending Wars provides the first critical comprehensive and highly documented history of the foreign policy of America's forty fourth president the drone king who ordered the bombing of seven Muslim countries backtracked on a pledge to reduce America's nuclear arsenal and helped fuel a new Cold War with Russia During his years in office Obama provided billions of dollars in arms sales to Saudi Arabia as it assisted in the crushing of pro democracy demonstrators in Bahrain and invaded Yemen He sanctioned a coup in Honduras which plunged that country into chaos perpetuated a failed drug war policy and contributed to the recolonization of Africa While any Democratic Party president would have faced peril in confronting the Pentagon which had carried out a slow coup d'etat over the decades Obama was rather in many ways the most perfect spokesman for the military industrial complex Who else but this articulate constitutional law professor could pull off a pro war speech after winning the Nobel Peace Prize while ramping up drone assassinations and America's network of military bases in Africa and still retain the support of liberal progressives

As many in the time of Trump now glance nostalgically back to the Obama presidency this book will help them to see the continuity and continuous failure of American foreign policy irrespective of the party or figurehead representing it

International Child Protection Neil Howard, Samuel Okyere, 2022-02-19 This book interrogates the international child protection regime with a particular focus on its weaknesses and failures It looks at the lack of accountability the normativity and the tendency to recreate patterns of power and exclusion that blight otherwise good intentions The book assesses why the regime falls short of its ideals and offers ideas for what can be done to improve it Bringing together influential established voices and emerging scholars who work on issues related to childhood youth policy and practice the book offers a timely intervention that aims to push the world of international child protection in more progressive directions **Justice in**

Conflict Mark Kersten, 2016-08-04 What happens when the international community simultaneously pursues peace and justice in response to ongoing conflicts What are the effects of interventions by the International Criminal Court ICC on the wars in which the institution intervenes Is holding perpetrators of mass atrocities accountable a help or hindrance to conflict resolution This book offers an in depth examination of the effects of interventions by the ICC on peace justice and conflict processes The peace versus justice debate wherein it is argued that the ICC has either positive or negative effects on peace has spawned in response to the Court's propensity to intervene in conflicts as they still rage This book is a response to and a critical engagement with this debate Building on theoretical and analytical insights from the fields of conflict and peace studies conflict resolution and negotiation theory the book develops a novel analytical framework to study the Court's effects on peace justice and conflict processes This framework is applied to two cases Libya and northern Uganda Drawing on extensive fieldwork the core of the book examines the empirical effects of the ICC on each case The book also examines why the ICC has the effects that it does delineating the relationship between the interests of states that refer situations to the Court and the ICC's institutional interests arguing that the negotiation of these interests determines which side of a conflict the ICC targets and thus its effects on peace justice and conflict processes While the effects of the ICC's interventions are ultimately and inevitably mixed the book makes a unique contribution to the empirical record on ICC interventions and presents a novel and sophisticated means of studying analyzing and understanding the effects of the Court's interventions in Libya northern Uganda and beyond **National Bibliography of Uganda**, 2014 **Les humanitaires dans la guerre**

Marc-Antoine Pérouse de Montclos, 2012 **Les études de la Documentation française**, 2012 Africa Uprising Adam Branch, Zachariah Mampilly, 2015-03-12 From Egypt to South Africa Nigeria to Ethiopia a new force for political change is emerging across Africa popular protest Widespread urban uprisings by youth the unemployed trade unions activists writers artists and religious groups are challenging injustice and inequality What is driving this new wave of protest Is it the key to substantive political change Drawing on interviews and in depth analysis Adam Branch and Zachariah Mampilly offer a penetrating assessment of contemporary African protests situating the current popular activism within its historical and

regional contexts *Horn of Africa Bulletin* ,2003 After Rape Holly Porter,2016-12-13 Following the ICC intervention in 2005 northern Uganda has been at the heart of international justice debates The emergent controversy however missed crucial aspects of Acholi realities that the primary moral imperative in the wake of wrongdoing was not punishment but instead the restoration of social harmony Drawing upon abundant fieldwork and in depth interviews with almost 200 women Holly Porter examines issues surrounding wrongdoing and justice and sexual violence and rape among the Acholi people in northern Uganda This intricate exploration offers evidence of a more complicated and nuanced explanation of rape and its aftermath suggesting a re imagining of the meanings of post atrocity justice whilst acknowledging the role of sex power and politics in all sexual experiences between coercion and consent With its wide investigation of social life in northern Uganda this provocative study offers vital analysis for those interested in sexual and gender violence post conflict reconstruction and human rights Northern Uganda Barney Afako,2000 **Living with Bad Surroundings** Sverker Finnström,2008-02-20 An ethnographic examination of how northern Ugandans understand and attempt to control their moral universe and material circumstances in the midst of civil war **Buried in the Heart** Erin Baines,2017 The book explores the concept of complex victimhood through stories of women who were abducted by the Lord s Resistance Army **When the War Ends** Phuong N. Pham,Richard Bailey,Andrew Moss,Eric Stover,Patrick Vinck,Marieke Wierda,International Center for Transitional Justice,Payson Center for International Development (Tulane University),University of California, Berkeley. Human Rights Center,2007 Behind the Violence Zachary Lomo,Lucy Hovil,2004 **Northern Uganda** Patrick Vinck,Andrew Moss,Phuong N. Displacing Human Rights War And Intervention In Northern Uganda Introduction

In today's digital age, the availability of Displacing Human Rights War And Intervention In Northern Uganda books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Displacing Human Rights War And Intervention In Northern Uganda books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Displacing Human Rights War And Intervention In Northern Uganda books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Displacing Human Rights War And Intervention In Northern Uganda versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Displacing Human Rights War And Intervention In Northern Uganda books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Displacing Human Rights War And Intervention In Northern Uganda books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Displacing Human Rights War And Intervention In Northern Uganda books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Displacing Human Rights War And Intervention In Northern Uganda books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Displacing Human Rights War And Intervention In Northern Uganda books and manuals for download and embark on your journey of knowledge?

FAQs About Displacing Human Rights War And Intervention In Northern Uganda Books

1. Where can I buy Displacing Human Rights War And Intervention In Northern Uganda books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
