

## Strategic/Global: Middle-Questions – Chapters 1-10

Answer all questions in a complete sentence.

### Chapter One

1. What is the point of view of the novel?

The narrative of the novel is a complex one, as it is told from the perspective of a narrator who is not a character in the story. The narrator is a woman who is looking back on her life, and she is telling the story in a way that is both nostalgic and critical.

2. What are the main themes? What aspects of the novel show that the author was influenced by the social and political conditions of the time? The novel is a complex one, as it is told from the perspective of a narrator who is not a character in the story. The narrator is a woman who is looking back on her life, and she is telling the story in a way that is both nostalgic and critical. The novel is a complex one, as it is told from the perspective of a narrator who is not a character in the story. The narrator is a woman who is looking back on her life, and she is telling the story in a way that is both nostalgic and critical.

3. What is the author's purpose? What does the author want to show about the world?

The author's purpose is to show the world as it is, and to show the world as it should be. The author is a woman who is looking back on her life, and she is telling the story in a way that is both nostalgic and critical.

4. What are the main characters? What are the main events of the story?

The main characters are the narrator, who is a woman looking back on her life, and the other characters who are part of her life. The main events of the story are the events that shape the narrator's life, and the events that shape the lives of the other characters.

5. What is the author's style? What are the main elements of the author's style?

The author's style is a complex one, as it is told from the perspective of a narrator who is not a character in the story. The narrator is a woman who is looking back on her life, and she is telling the story in a way that is both nostalgic and critical.

### Chapter Two

1. What are the main themes? What are the main events of the story?

The main themes are the themes that shape the narrator's life, and the themes that shape the lives of the other characters. The main events of the story are the events that shape the narrator's life, and the events that shape the lives of the other characters.

2. What is the author's style? What are the main elements of the author's style?

The author's style is a complex one, as it is told from the perspective of a narrator who is not a character in the story. The narrator is a woman who is looking back on her life, and she is telling the story in a way that is both nostalgic and critical.

3. What is the author's purpose? What does the author want to show about the world?
