Fundamentals of Prosperity: What They Are and Whence They Come Roger Ward Babson, 2021-01-01 People have forgotten the gospel of service. The producing power per man has fallen off from fifteen to twenty percent. We have all been keen on developing consumption. We have devoted nine tenths of our thought, energy, and effort to developing consumption. This message is to beg of every reader to give more thought to developing production, to the reviving of a desire to produce, and the realization of joy in production. Foreword *Fundamentals of Prosperity* Roger Ward Babson, 1920 People have forgotten the gospel of service. The producing power per man has fallen off from fifteen to twenty percent. We have all been keen on developing consumption. We have devoted nine tenths of our thought, energy, and effort to developing consumption. This message is to beg of every reader to give more thought to developing production, to the reviving of a desire to produce, and the realization of joy in production. Foreword **Fundamentals of Prosperity** Roger

Babson, 2023-03-22 It was first published in 1920 but its message continues to resonate strongly today. The American ideals of thrift, imagination, honesty, vision, and the gospel of service have gotten lost in the counting of lucre. Roger Babson, a master statistician and one of the early must-reads of business self-help literature, here explores how religious faith can serve as the basis for reintegrating the values of industriousness, cooperation, and other genuinely human resources into the commercial arena. Far from a sermon, this fascinating book highlights how alike today's business world is to that of the early 20th century and how we can improve that arena to the benefit of all. As part of our mission to publish great works of literary fiction and nonfiction, Sheba Blake Publishing Corp. is extremely dedicated to bringing to the forefront the amazing works of long dead and truly talented authors.
