Forthcoming Books Rose Arny, 2002-04

Secured Transactions Richard E. Speidel, Robert S. Summers, James J. White, 1993

Security Interests in Personal Property Steven L. Harris, Charles W. Mooney, 2006 The Fourth Edition continues the emphasis on real life problems and transactions that has distinguished these teaching materials for decades As in previous editions the Problems are tailored to focus the student's attention on the relevant statutory language and its application to common patterns of secured financing They emphasize counseling planning drafting and litigation skills In addition to more traditional Problems which ask the student to predict the outcome many of the Problems ask the student to give advice to clients to structure transactions and to draft certain provisions of documents As in the Third Edition many of the Problems are based upon Prototype transactions that feature actual transaction documents The first financing an automobile dealer's inventory and financing a consumer buyer's purchase of an automobile from the dealer affords the basis for a discussion of basic Article 9 concepts in a concrete setting The second Prototype features an accounts and inventory borrowing base secured credit facility and includes a revolving credit agreement and security agreement This Prototype forms the basis for detailed coverage of various types of financing secured by receivables and other intangible property

Examples & Explanations for Secured Transactions James Brook, 2019-12-30 A favorite classroom prep tool of successful students that is often recommended by professors the Examples Explanations E E series provides an alternative perspective to help you understand your casebook and in class lectures Each E E offers hypothetical questions complemented by detailed explanations that allow you to test your knowledge of the topics in your courses and compare your own analysis Here's why you need an E E to help you study throughout the semester Clear explanations of each class topic in a conversational funny style Features hypotheticals similar to those presented in class with corresponding analysis so you can use them during the semester to test your understanding and again at exam time to help you review It offers coverage that works with ALL the major casebooks and suits any class on a given topic The Examples Explanations series has been ranked the most popular study aid among law students because it is equally as helpful from the first day of

class through the final exam
