The Death of Death Neil Gillman, 1997 Does death end life or is it the passage from one stage of life to another In *The Death of Death* noted theologian Neil Gillman offers readers an original and compelling argument that Judaism a religion often thought to pay little attention to the afterlife not only presents us with rich ideas on this subject but delivers a deathblow to death itself Combining astute scholarship with keen historical theological and liturgical insights Gillman outlines the evolution of Jewish thought about bodily resurrection and spiritual immortality Beginning with the near silence of the Bible on the afterlife he traces the development of these two doctrines through Jewish history He also describes why today somewhat surprisingly more contemporary Jewish scholars including Gillman have unabashedly reaffirmed the notion of bodily resurrection In this innovative and personal synthesis Gillman creates a strikingly modern statement on resurrection and immortality *The Death of Death* gives new and fascinating life to an ancient debate This new work is an intellectual and spiritual milestone for all of us interested in the meaning of life as well as the meaning of death

Into the Fullness of the Void Dov Elbaum, 2013-11-15 A spiritual journey both deeply personal and strikingly universal One of Israel's leading cultural figures Dov Elbaum grew up in an ultra Orthodox Jerusalem family and was a prodigy who seemed destined for greatness in the world of Talmud study But in his late teens he abruptly broke away and set off into secular Israeli society In this fascinating courageous and compelling autobiography Elbaum seeks to understand his decision and its consequences With the structure of Kabbalah as his road map Elbaum journeys into the deep recesses of his self and his soul The ultimate goal of his journey is the Void a Kabbalistic space that precedes God's creation of the world and a psychological state that precedes our formation as individuals It is a space of great vulnerability but also of hope for rebirth and renewal This is an intimate honest revealing work both deeply personal and strikingly universal The Hebrew edition was a bestseller and sold over 50 000 copies
