and two real life friends George Wingrave who would become a senior manager at Barclays Bank and Carl Hentschel the founder of a London printing business called Harris in the book with whom he often took boating trips The dog Montmorency is entirely fictional but as Jerome admits developed out of that area of inner consciousness which in all Englishmen contains an element of the dog The trip is a typical boating holiday of the time in a Thames camping skiff This was just after commercial boat traffic on the Upper Thames had died out replaced by the 1880s craze for boating as a leisure activity The text of the novel is complete and unabridged 1889 edition Learn or improve your English French or Italian by reading the bilingual edition of this eBook An easy to read paragraph by paragraph English French or English Italian parallel text versions Or look for other bilingual books by the same editor <http://smarturl.it/bilingual> this is a short url for a search on Amazon website More Kentauron eBooks <http://smarturl.it/Kentauron> this is a short url for a search on Amazon website
