Victory over Autism Mary Romaniec, 2016-01-05 Children are recovering from autism as are their families Children are recovering from autism and yet the general public is largely unaware that this is even possible let alone happening at astounding rates While traditional medicine continues to be stymied on the causes and potential remedies other physicians and proactive parents have partnered to become a progressive force for change In Victory over Autism Mary Romaniec takes the reader through the personal stages parents will experience when their child is first diagnosed with autism and shows how to become part of the next generation of proactive parents who are making a difference in the well being of their children and families Romaniec explores the stages of grief associated with the diagnosis followed by an examination of the winning attributes parents should and will possess or adopt as they strive toward the goal of better health and full recovery for their child Victory over Autism includes personal accounts of overcoming the autism odds looking out for all family members and addressing marriage issues and explores ways of getting the parent into the mind set that a victory over autism is a realizable goal Rainbow Over My House Sheila Clayton Christie, 2012-06 When two year old Daniel lay motionless on the floor staring at the ceiling his mother had no idea that he was exemplifying the first symptoms of what would be diagnosed as autism two years later The emergency room visit on that June 2002 afternoon resulted in a forty eight hour hospital stay where Daniel was afterwards discharged with a simple rough horseplay diagnosis However within the weeks that followed he lost his speech hearing and cognitive skills eventually slipping into a world of his own Daniel was born a very healthy bouncing bundle of joy He was an even more active toddler However in one moment of time his laughter ceased the pitterpatter of his little feet racing through the house ended and his voice that was once heard in family conversations was replaced by ear piercing screams and whines as he tried to communicate his needs Convinced that Daniel was misdiagnosed his mother prayed and began to seek help Without knowing the giant she was facing she relentlessly looked for answers and found them On May 19 2004 Daniel was diagnosed with autism But that was not the end of the story Instead it was just the beginning Rainbow Over My House is the amazing story of Daniel's journey from pain and agony to triumphant victory over autism As you read this wonderful story you will laugh cry tears of joy and even cheer as it shares details of Daniel's victory such as him winning a potato sack race at a picnic Expect your faith to be ignited as you find the hope and courage to once Recovering from Autism: Our Family's Journey of Hope and Healing Teri again believe in miracles Brogan, 2014-12-15 Author Teri Brogan knows what it s like to parent a child with autism She understands the confusion the despair the sense of inadequacy But thanks to God naturopathy and good old trial and error she and her family have experienced the unexpected joy of possible healing And now she shares not only remedies and treatments she s discovered but more importantly the hope you may have lost when your child was diagnosed with autism Recovering from Autism Our Family s Journey of Hope and Healing shares Brogan s personal experiences as an inspiring case study for the therapies and

methods she presents Candid thorough and ever practical this easy to read down to earth guide discusses Common signs and symptoms of autism Possible causes including the autism vaccine link Specific treatments used including details of why each method was chosen how it was administered and what its results were Natural remedies some of which may be a bit controversial or unfamiliar in the treatment of autism including orthomolecular medicine sodium bicarbonate and craniosacral therapy Interview questions to help you find the right health care provider Proven educational modalities and interventions that can restore develop and maintain the intellectual and cognitive health of a child with autism Begin your family s recovery journey today A Child's Recovery from Autism Hanna Rotbaum, 2013-02-17 Parents searching for new directions and guidance on autism will find a wealth of practical information in this moving and fascinating journey The crucial therapies in this success story were Relationship Development Intervention RDI which enabled this child to make true friends and The Amy Yasko Protocol a dietary supplement program based on the child's genetic make up Many treatment programs are examined in this book and many helpful ideas suggested for working with an autistic child in There Marcia Hinds, 2020-01-28 For parents of children with autism and doctors treating autism this groundbreaking guide will give you the tools to help your child There was something wrong with Ryan His parents knew it before the psychiatrist predicted he would end up in an institution Ryan was diagnosed with autism at age four That day changed everything There was no recovery from autism there was no cure there was no hope Or was there I Know You re in There tells the true story of how through diet applied behavior analysis consistent and rigorous medical treatment and more Ryan s family was able to overcome autism It took a lot of trial and error but today Ryan is an aerospace engineer has friends and lives a happy typical life His recovery wasn t miraculous but instead the result of getting proper medical care and his parents never taking no for an answer Marcia provides real world examples and actionable steps to take to get your child the treatment and care that could help them beat autism If your child has been diagnosed with autism or the warning signs are there which are also covered here I Know You re in There is an indispensable resource in your fight against autism spectrum A Brand New Day Brian Walden, Gina Walden, 2012 Mrs Walden your son has autism He most likely will never disorder speak or communicate normally I suggest that you and your husband seek counseling and learn how to deal with this disorder When Gina heard this she thought to herself No doctor is going to dictate my son s future Only God will do that Over the next few years Gina and her husband Brian challenged conventional diagnoses to stand in faith for their precious son Ethan From lawsuits with school boards through intensive intervention with tears and immense frustration Brian and Gina remained steadfast in their faith choosing to believe in God's healing power This book gives a candid account of the miraculous journey to the healing of their son The miracle was best expressed by then five year old Ethan Oh I know Mama God healed me I couldn't talk before and now I talk all the time And I know God healed me from eighteen food allergies A Brand New Day is the captivating story of a family spilgrimage of faith and their unshakable courage in the midst of

unspeakable adversity Prepare to be encouraged and refreshed as you are challenged to believe for your Brand New Day
