Downshifting Made Easy Marian Van Eyk McCain, 2011-06-16 What does it mean to downshift Why is it now imperative that millions of people begin moving towards a simpler more sustainable lifestyle If you too are to join this worldwide effort to create a different sort of world when should you start How should you set about it Might you need to move house in order to live more sustainably and if so to where And to whom can you turn for advice and guidance This easy to read guidebook by an author who undertook a similar journey aims to answer all these questions and more It will reassure you that while the downshifting process is not without its challenges the rewards in terms of life satisfaction enjoyment and sense of fulfilment can be huge There are many books full of practical ideas for green living But this one goes to the heart of the matter by looking at who you are what your needs are and how to create your custom made plan for a lifestyle perfectly adapted to the coming Age of Sustainability

Work: A Very Short Introduction Stephen Fineman, 2012-11-29 The image of a job captures our imagination from an early age usually prompted by the question What do you want to be when you grow up Work paid unpaid voluntary or obligatory is woven into the fabric of all human societies For many of us it becomes part of our identity For others it is a tedious necessity Living is problematic without paid work and for many it is catastrophic Steve Fineman tells the fascinating story of work how we strive for security reward and often meaning Looking at how we classify work the cultural and social factors that influence the way we work the ethics of certain types of work and the factors that will affect the future of work from globalization to technology this Very Short Introduction considers work as a concept and as a practical experience drawing upon ideas from psychology sociology management and social history ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable
