

Online Websites To Find "FREE" Textbooks, Solution Manuals & Resources

1. Library Genesis (libgen.rs)

This is the go-to site for most ebooks. Some of the engineering textbooks comes with the solution manual as well. Searching for the title + "solution manual" will give you some results.

2. LitSolutions (litsolutions.org)

A website which has textbook solutions ripped from chegg. It has quite a lot of books and free, no need to sign up or give any credentials. You can find many textbook solutions that are not on libgen.

3. Zlibrary (z-lib.org)

This is another site where you can try if you can't find it in Library Genesis. You may need an account if you exceed the download limit. If you do not like to use your personal email, you can opt to use a temporary mail.

4. Studylib (studylib.net)

As the name itself says it's like a library, where you can have a large number of assignments and solutions. It will provide you with a solution for all the subjects. You can also upload your documents and find the solution.

5. Pdfdrive (pdfdrive.com)

An online PDF search engine that lets you search, preview and download PDFs. According to the site as of right now, there are over 75 million eBooks, magazines, articles, and more that are indexed and discoverable directly on PDF Drive.

5. Sci-Hub (sci-hub.mkksa.top)

Great place for finding published essays, journal/conference papers that are (usually) paywalled.

7. AudioBookBay (audiobookbay.ws)

If what you want is audiobooks then audiobookbay is the go-to place. You can find millions of free audiobooks with high quality.
