WHEN THE GAME WAS OURS

"It was then and there that I truly knew that was it." — New York Times Book Review

"People ask me all the time who my all-time five top players are, and when I start saying Larry, they interrupt me. They say, 'You've got to be kidding me. He can't play with LeBron James!'. I tell them, 'You guys don't get it. Larry is far better than any small forward who played the game, and to be honest, I'm still not sure if he is a small forward or a power forward'"
