Simple Stories** Helen Winter, Learn to Read Book for Beginning Readers Preschool Kindergarten and 1st Grade Step into Reading Level 1 We offer the easiest way to make reading books with children a pleasure even for those children who listen to reading reluctantly With the usual type of reading a child is a passive listener while with reading by picture he or she becomes an active participant Even if children

can already read they are happy to read texts where some of the words are replaced by pictures and perceive it as a bonus or a prize It is more important to receive such bonuses for children who are just starting to read or for whom reading still requires effort A small child can only voice words represented by pictures This reading not only makes kids a full participant in the process but also teaches them to reconcile the words of the picture with other words in the sentence Older children may try to read words from a vocabulary list that appears before the text A child who has begun to read will be able to enjoy reading the entire text If you are reading to your little one please read slowly Let your child think about the sentence find the right word and enjoy the reading process Some words in this book are changed to pictures Each story has a pictured vocabulary list at the beginning Includes 7 simple stories understandable and relatable for kids Great book for non English speaking children to learn and remember new words in a fun game based reading activity      **Editor & Publisher** ,1925 The fourth estate      Children's Books in Print, 2007 ,2006      **Kindergarten and First Grade Magazine** ,1925      *The Ohio Teacher* ,1912      The Horn Book Guide to Children's and Young Adult Books ,2008      **School Library Journal** ,1998
