## **First Principles The Jurisprudence Of Clarence Thomas:**

**First Principles** Scott Douglas Gerber, 1999 Clarence Thomas is one of the most vilified public figures of our day To date however his legal philosophy has received only cursory treatment First Principles provides a portrait of Thomas based not on the justice s caricatured reputation but on his judicial opinions and votes his scholarly writings and his public speeches The paperback edition includes a provocative new Afterword by the author bringing the book up to date by assessing Justice Thomas s performance and the reaction to his decisions during the last five years *The Enigma of Clarence Thomas* Corey Robin, 2019-09-24 The Enigma of Clarence Thomas is a groundbreaking revisionist take on the Supreme Court justice everyone knows about but no one knows One of the marvels of Robin s razor sharp book is how carefully he marshals his evidence It isn t every day that reading about ideas can be both so gratifying and unsettling The New York Times Most people can tell you two things about Clarence Thomas Anita Hill accused him of sexual harassment and he almost never speaks from the bench Here are some things they don t know Thomas is a black nationalist In college he memorized the speeches of Malcolm X He believes white people are incurably racist In the first examination of its kind Corey Robin one of the foremost analysts of the right The Reactionary Mind delves deeply into both Thomas s biography and his jurisprudence masterfully reading his Supreme Court opinions against the backdrop of his autobiographical and political writings and speeches The hidden source of Thomas s conservative views Robin shows is a profound skepticism that racism can be overcome Thomas is convinced that any government action on behalf of African Americans will be tainted by racism the most African Americans can hope for is that white people will get out of their way There s a reason Robin concludes why liberals often complain that Thomas doesn t speak but seldom pay attention when he does Were they to listen they d hear a racial pessimism that often sounds similar to their own Cutting across the ideological spectrum this unacknowledged consensus about the impossibility of progress is key to understanding today s political stalemate **Justice Kennedy's Jurisprudence** Frank J. Colucci, 2009 Examines the judicial philosophy of Supreme Court Justice Anthony M Kennedy who has been the critical swing vote on the Court for the last 20 years **The American Judicial Tradition** G. Edward White, 2007-01-18 Previous editions published 1988 expanded 1976 1st **Almanac of the Federal Judiciary** Aspen Publishers Editorial Staff, 1995-12-31 The Almanac of the Federal Judiciary has built its considerable reputation by providing balanced responsible judicial profiles of every federal judge and all the key bankruptcy judges and magistrate judges profiles that include reliable inside information based on interviews with lawyers who have argued cases before the federal judiciary Containing valuable hard to find material on every federal trial judge and appellate judge in the nation this unique resource includes Each judge s academic and professional background experience on the bench noteworthy rulings and media coverage Candid revealing commentary by lawyers based on first hand experiences before their local federal judges Helpful tips for your litigating team in shaping case strategy Important insights into each judge s style demeanor knowledge and

management of courtroom proceedings And continuing in depth research with semiannual updates The Almanac of the Federal Judiciary is divided into two volumes Volume 1 District Magistrates and Bankruptcy Judges Volume 2 Circuit Judges

**The Real Clarence Thomas** Christopher E. Smith, Joyce A. Baugh, 2000 Justice Clarence Thomas is a controversial figure on the U S Supreme Court because of sexual harassment allegations raised against him during his 1991 Senate confirmation hearings This study avoids unanswerable questions about Thomas s past by making a straightforward comparison of his confirmation testimony about his judicial philosophy against his subsequent judicial opinions This comparison raises serious questions about Thomas s truthfulness during his sworn testimony before the Senate Judiciary Committee Because the legitimacy of the courts depends on the integrity of the judges the authors argue for increased consideration of impeachment if significant evidence indicates that judicial nominees intentionally deceived the Senate and the public about their views on law and public policy *Judging Thomas* Ken Fosskett, 2009-10-13 Clarence Thomas the youngest and most controversial member of the Supreme Court could become the longest serving justice in history influencing American law for decades to come Who is this enigmatic man And what does he believe in Judging Thomas tells the remarkable story of Clarence Thomas s improbable journey from hardscrabble beginnings in the segregated South to the loftiest court in the land With objectivity and balance author Ken Fosskett chronicles Thomas s contempt for upper crust blacks who snubbed his uneducated working class roots his flirtation with the priesthood and later Black Power the resentment that fueled his opposition to affirmative action the conservative beliefs that ultimately led him to the Supreme Court steps and the inner resilience that propelled him through the doors Based on interviews with Thomas himself fellow justices family members and hundreds of friends and associates Judging Thomas skillfully unravels perhaps the most complex controversial and powerful public figure in America today **Roe V. Wade** N. E. H. Hull, Peter Charles Hoffer, 2001 The issue of abortion has sharply divided America The bitter debate over Roe v Wade in the courts legislatures press and streets has grown ever more ferocious since the Supreme Court s landmark decision in 1973 For years pro choicers have applauded Roe as a guarantee of women s rights while pro lifers have condemned it as the work of an activist and atheistic Court Now it looms at the centre of a growing political storm as a new president and old Court and a divided Congress reconsider Roe s status in the wake of the controversial 2000 elections *Almanac of the Federal Judiciary* Barnabas D. Johnson, 1984 *First Things*, 1999 **Texas Journal on Civil Liberties & Civil Rights**, 2005 **Michigan Law Review**, 2003 *Term Paper Resource Guide to African American History* Caryn E. Neumann, 2009-04-30 Includes bibliographical references and index **The Character of Justice** Trevor Parry-Giles, 2006 American justice tends to focus on the top the Supreme Court Parry Giles points to the media attention to nominations to the court and the decisions of the justices as a sure indicator that the court is not only powerful but political *Supreme Court of the United States* George H. Rutland, 2006 The Supreme Court of the United States is in the midst of a generation change which will no doubt result in

societal imperatives different than those in the past The Supreme Court of the US has a profound effect on ideas thoughts and behaviour of the people of the US This new bibliography presents hundreds of citations of the important literature dealing with this beacon of society     **Southern University Law Review** Southern University and A & M College.
