## **Flame Into Being The Life And Work Of Dh Lawrence:**

*Flame Into Being* Anthony Burgess, 1985      **D. H. Lawrence, Technology, and Modernity** Indrek Männiste, 2019-02-07 While the dehumanizing effects of technology modernity and industrialization have been widely recognized in D H Lawrence s works no book length study has been dedicated to this topic This collection of newly commissioned essays by a cast of international scholars fills a genuine void and investigates Lawrence s peculiar relationship with modern technology and modernity in its many and varied aspects Addressing themes such as pastoral vs industrial mining war robots ecocriticism technologies of the self film poetic devices of technology entertainment and many others these essays help to reevaluate Lawrence s complicated standing within the modernist literary tradition and reveal the true theoretical wealth of a writer whose whole life and work according to T S Eliot was an assertion of what the modern world has lost      **The Aesthetics of Anthony Burgess** Jim Clarke, 2017-10-26 The book is the first full length text on Anthony Burgess s fiction in a generation and offers a radical and innovative way of understanding the extensive literary achievements of one of the twentieth century s most innovative authors This book explores Burgess s dazzlingly diverse range of novels through the one key theme which links them all the artistic process itself Borrowing from Nietzsche s aesthetic dichotomy of Apollo and Dionysus the book uncovers the protracted evolution of Burgess s fiction and offers a unifying theory which links his early postcolonial fiction chronologically via his modernist experiments like *A Clockwork Orange* and *Nothing Like The Sun* to his late classics *Mozart and the Wolfgang* and *A Dead Man in Deptford* This volume clarifies Burgess s seminal role as both late modernist and early postmodernist and lucidly unveils the legacy of England s most mercurial novelist      **The Biography Book** Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals      **The English Modernist Novel as Political Theology** Charles Andrews, 2024-01-11 A 2024 CHOICE OUTSTANDING ACADEMIC TITLE novels by Virginia Woolf D H Lawrence Evelyn Waugh and Sylvia Townsend Warner as political theology works that imagine a resistance to the fusion of Christianity and patriotism which fuelled and supported the First World War this book shows how we can gain valuable insights from their works for anti militarist anti statist and anti nationalist efforts today While none of the four novelists in this study were committed Christians during the 1920s Andrews explores how their fiction written in the wake of the First World War

operates theologically when it challenges English civil religion the rituals of the nation that elevate the state to a form of divinity Bringing these novels into a dialogue with recent political theologies by theorists and theologians including Giorgio Agamben William Cavanaugh Simon Critchley Michel Foucault Stanley Hauerwas and Jürgen Moltmann this book shows the myriad ways that we can learn from the authors theopolitical imaginations Andrews demonstrates the many ways that these novelists issue a challenge to the problems with civil religion and the sacralized nation state and in so doing offer alternative visions to coordinate our inner lives with our public and collective actions *Living at the Edge : a Biography of D.H.*

*Lawrence and Frieda Von Richthofen* Michael Squires, Lynn K. Talbot, Lynn Kiefer Talbot, 2002 Dashingly told and meticulously researched this double biography of D H Lawrence and his wife Frieda von Richthofen is the first to draw fully on Frieda's unpublished letters and on interviews with people who knew her well It explores their collision with an industrial world they hated and chronicles the stormy relationship between husband and wife The strong sexual vitality that inspired Lawrence's art brought both joy and anguish to his marriage Here the Lawrences emerge as proud but not conceited in their unconventional lives staunch in the face of fierce opposition from a conformist society *Living at the Edge* follows the separate lives of Lawrence and Frieda up to their first meeting in 1912 Tracing their new life together it depicts their grateful escape from the English Midlands their discovery of exotic places where they made temporary homes Italy Cornwall Australia New Mexico and Mexico Lawrence's courageous battle against illness and after his death in 1930 Frieda's success in recreating the simple life on ranches near Taos New Mexico where she died in 1956 At the center of their story is Lawrence's literary career Biographers Squires and Talbot see Lawrence's major novels *The Rainbow* *Women in Love* *Lady Chatterley's Lover* as a fresh way to understand his turbulent and conflicted life They reveal the extreme care with which he rewrote his personal experience to satisfy his deepest needs and they introduce the many influential people who entered the Lawrences' lives and work The rich materials from Frieda's letters reveal a different Lawrence more difficult as a man but more interesting as an artist they also reveal a different Frieda more vibrant as a woman more substantial as a companion This superb biography gives both Lawrence and Frieda striking new dimensions **The Passion of D.H. Lawrence** Jeremy Robinson, 1993
