Mandalas to Color are now released online in the book category of Amazon's website. This latest release, Mandalas to Color Advance Designs Volume 9, has the most intricate and complex geometric shapes and patterns. These masterpieces can help a person in his journey to self-discovery, self-expression, sense of peace, and relief. Ironpower Publishing has released a pattern coloring book that contains ready-made blank mandalas to color. Each mandala pattern is printed on its own page so users can frame them for display later. According to J. Brown, a spiritual teacher, I have previously joined mandala workshops but nothing beats having your own time and pace when creating your personal mandala. I purchased a Mandala coloring book online and I am very happy with it. Coloring mandalas gives me inspiration to seek my inner self and soothes my soul. I just let my hand do the coloring and let my mind reflect, and the next thing I know I have created a very beautiful masterpiece. This new release also allows its users to meditate and make a graphic expression of their subconscious mind. The painting-like patterns help promote one's inner state of mind while maximizing one's creativity. Mandala patterns can look a bit intimidating at first glance when they are this intricate, but with time, care, and patience, they are fun to do.
