Ben Hogan Tim Scott, 2015-04-01 Ben Hogan s accomplishments on the golf course are the stuff of legends but his life off it was exceedingly private In this biography author Tim Scott demonstrates why such public perception was not representative of Hogan s personality offering a firsthand glimpse into the famous golfer s humor and sensitivity Hogan wasn t perfect and many of his fine qualities were never made public until now as Tim Scott shares his personal experience with Hogan as well as Hogan s friends family and acquaintances Along the way a clearer picture emerges of Hogan as a man a golfer a friend and a husband **The Fundamentals of Hogan** David Leadbetter, Lorne Rubenstein, 2004-03-23 More than a half century after he began his professional career Ben Hogan is still considered the purest striker of a golf ball in the history of the game His was a swing honed to perfection and teaching professionals agree that Hogan s technique is the perfect platform on which golfers of all skill levels can build a fundamental understanding of golf Unfortunately photographs of Hogan s full swing and detailed close ups of his grip and positioning have never been available for analysis Instructors from around the world have always begun with a serious handicap when explaining to their students how a man of average stature could generate exceptional power and control from tee to green Now thanks to the newly discovered critical photography featured in this book the mysteries of Ben Hogan s form are revealed One vital characteristic of David Leadbetter s teaching philosophy which has made him the world s 1 teacher is his ability to translate very difficult swing concepts into easy to understand language When the lost photographs from Hogan s seminal instructional manual *Five Lessons The Modern Fundamentals of Golf* were discovered by the Hogan estate David Leadbetter was the immediate and perfect choice to craft the quintessential instruction book for today s golfer based on the Hogan form By combining his exceptional skills as a communicator and his encyclopedic knowledge of the mechanics of golf Leadbetter uses these remarkable images of the master at work to demonstrate the basic techniques of golf The result is *The Fundamentals of Hogan* the one book that all golfers who dream of breaking 80 need to have in their libraries Golf s 1 professional instructor translates Ben Hogan s fundamentals for players of all skill levels **The Modern Fundamentals of Golf** Ben Hogan, 1974
