**Jonathan Edwards and Scripture** David P. Barshinger, Douglas A. Sweeney, 2018 For too long scholars have published new research on Edwards without paying due attention to the work he took most seriously biblical exegesis Edwards is recognized as an innovative theologian who wielded tremendous influence on revivalism evangelicalism and New England theology What is often missed is how much time he devoted to studying and understanding the Bible He kept voluminous notebooks on Scripture and died with unrealized plans for major treatises on the Bible More and more experts now recognize the importance of this aspect of his life this book brings together the insights of leading Edwards scholars on this topic The essays in Jonathan Edwards and Scripture set Edwards engagement with Scripture in the context of seventeenth century Protestant exegesis and eighteenth century colonial interpretation They provide case studies of Edwards exegesis in varying genres of the Bible and probe his use of Scripture to develop theology The authors also set his biblical interpretation in perspective by comparing it with that of other exegetes This book advances our understanding of the nature and significance of Edwards work with Scripture and opens new lines of inquiry for students of early modern Western history **Jonathan Edwards within the Enlightenment: Controversy, Experience, & Thought** John T. Lowe, Daniel N. Gullotta, 2020-05-11 In her Epilogue entitled What Is His Greatness Ola Elizabeth Winslow stated in the first serious modern biography of Jonathan Edwards In a word it is the greatness of one who had a determining art of initiating and directing a popular movement of far reaching consequence and who in addition laid the foundations for a new system of religious thought also of far reaching consequence After two and a half centuries since Edwards s death Winslow s statement is undoubtedly true and perhaps more so now than ever The recovery of Edwards pioneered by Perry Miller Ola Winslow and Thomas Schafer among others has become what is often referred to as an Edwards renaissance and has been made even more popular among lay people by John Piper Stephen Nichols and the like Since the free online access of The Works of Jonathan Edwards by Yale University dozens of books and articles as well as numerous dissertations each year are written to seek a facet of Edwards s greatness and thus as an exemplar of his continued far reaching consequence Jonathan Edwards more than any other pre revolutionary colonial thinker grappled with the promises and perils of the Enlightenment Organized by John T Lowe and Daniel N Gullotta Jonathan Edwards within the Enlightenment brings together a group of young and early career scholars to present their propping the life times and theology of one of America s greatest minds Many of these subjects have been seldom explored by scholars while others offer new and exciting avenues into well covered territory Some of these topics include Edwards interaction with and involvement in slavery colonialism racism as well as musings on gender populism violence pain and witchcraft *The Works of President Edwards in Four Volumes* Jonathan Edwards, 1844 [Selected Sermons of Jonathan Edwards](#) Jonathan Edwards, 2022-09-16 In [Selected Sermons of Jonathan Edwards](#) the reader is invited into the profound theological universe of one of America s most influential Puritan thinkers This compilation showcases

Edwards mastery of the sermon as both a literary form and a vehicle for spiritual awakening His vivid imagery meticulous reasoning and impassioned rhetoric capture the complexities of human emotion in relation to divine grace sin and redemption The sermons often imbued with metaphysical insights reflect the anxieties and aspirations of early 18th century America a time marked by religious fervor and the beginnings of the Great Awakening Edwards work not only elucidates doctrinal themes but also engages with the psychological struggles of believers making his messages timeless in their relevance and resonance Jonathan Edwards 1703 1758 was a preacher theologian and philosopher whose legacy endures in American religious thought As a key figure in the First Great Awakening he often confronted the cultural and spiritual crises of his time which shaped his eloquent discourse on salvation human depravity and the majesty of God His background in a deeply religious family and his education at Yale University fostered a lifelong engagement with philosophical and theological questions which culminated in these sermons Selected Sermons of Jonathan Edwards is an essential read for anyone seeking to understand the historical and theological roots of American Christianity Edwards articulate articulation of faith and morality challenges the reader to engage with fundamental questions of existence making it not just a historical document but a source of inspiration for contemporary spiritual seekers

**The Works of Jonathan Edwards, A.M.**

Jonathan Edwards,1840 Works of President Edwards, Vol. 4 of 4 (Classic Reprint) Jonathan Edwards,2017-09-16 Excerpt from Works of President Edwards Vol 4 of 4 By divinity is meant that science or doctrine which comprehends all those truths and rules which concern the great business of religion There are various kinds of arts and sciences taught and learned in the schools which are conversant about various objects about the works of nature in general as philosophy or the visible heavens as astronomy or the sea as navigation or the earth as geography or the body of man as physio and anatomy or the soul of man with regard to its natural powers and qualities as logic and pneumatology or about human government as politics and jurisprudence But there is one science or one certain kind of knowledge and doctrine which is above all the rest as it is concerning God and the great business of religion this is divinity which is not learned as other sciences merely by the improvement of man s natural reason but is taught by God himself in a certain book that he hath given for that end full of instruction This is the rule which God hath given to the world to be their guide in searching after this kind of knowledge and is a summary of all things of this nature needful for us to know Upon this account divinity is rather called a doctrine than an art or science Indeed there is what is called natural religion or divinity There are many truths concerning God and our duty to him which are evident by the light of nature But Christian divinity properly so called is not evident by the light of nature it depends on revelation Such are our circumstances now in our fallen state that nothing which it is needful for us to know concerning God is manifest by the light of nature in the manner in which it is necessary for us to know it For the knowledge of no truth in divinity is of any significance to us any otherwise than as it some way or other belongs to the gospel scheme or as it relates to a Mediator But the light of nature teaches us no truth of divinity in this matter Therefore it cannot be said that we come to the knowledge of any part of Christian divinity by the light of nature The light of nature teaches no truth as it is in Jesus It is only the word of God contained in the Old and New Testament which teaches us Christian divinity About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
