Expanding Austenland Áine Madden, 2024-01-13 Expanding Austenland The Pride and Prejudice Fanfiction Archive explores Jane Austen s reception in popular culture through an exploration of the ever expanding terrain of online fanfiction professionally published profic texts and other intertextual reworkings inspired by the author s most popular novel Pride and Prejudice The book argues that given its pervasiveness Pride and Prejudice could be usefully considered not as a single novel but as an entire archive of interrelated texts or as a portal that opens a virtual world for readers to expand and explore By examining the Pride and Prejudice archive of interrelated texts this book analyses the process through which an individual novel can develop a virtual life or afterlife The evolving world that is opened by Pride and Prejudice and extended and enriched through fanfiction is conceptualised in the monograph as Austenland
