

GOLF TOURNAMENT SPONSORSHIP LETTER

May 14, 2050

Agustin Jerde
Chief Executive Officer
MobilityHQ
Fort Worth, TX 76101

Dear **Mr. Jerde**,

I am reaching out on behalf of **[Your Company Name]** for your possible partnership in making our forthcoming Golf Tournament event, set to happen in 2051, a resounding success. The golf tournament we organize annually attracts a vast audience where many like-minded individuals come together.

It is a befitting platform for **MobilityHQ** to display its commitment to the community and advertise its products subtly and effectively. Your sponsorship will predominantly be used to improve the event's scale, enhance the facilities' quality, and provide participants with top-notch gear. It will offer **MobilityHQ** a chance to put its brand in the spotlight and enable us to take the event to new heights.

We are confident that this symbiotic relationship can yield numerous benefits and significantly boost the reputation of both parties involved.

Financial Management in the Sport Industry Brown T. Matthew, 2016-12-15 *Financial Management in the Sport Industry* provides readers with an understanding of sport finance and the importance of sound financial management in the sport industry. It begins by covering finance basics and the tools and techniques of financial quantification using current industry examples to apply the principles of financial management to sport. It then goes beyond the basics to show how financial management works specifically in sport, how decisions are made to ensure wealth maximization. Discussions include debt and equity financing, capital budgeting, facility financing, economic impact, risk and return, time value of money and more. The final section focuses on sport finance in three sectors of the industry: public sector, sports, collegiate athletics and professional sport, providing in-depth analysis of financial management in each sector. Sidebars, case studies, concept checks and practice problems throughout provide practical applications of the material and enable thorough study and practice. The business of sport has changed dynamically since the publication of the first edition, and this second edition reflects the impact of these changes on financial management in the sport industry. New to this edition are changes to reflect the global nature of sport, with for example, discussions of income tax rates in the Premier League, expanded material on the use of spreadsheets for financial calculations, a primer on accounting principles to help students interpret financial statements, a valuation case study assignment that takes students step by step through a valuation, a new stadium feasibility analysis using the efforts of the Oakland Raiders to obtain a new stadium, a new economic impact example focusing on the NBA All Star game and much more.
