Social Work Practice Jonathan Parker, 2024-10-30 Providing you with a complete foundation of knowledge and understanding for each process, this step by step guide will introduce you to the four main aspects of social work practice: Assessment, Planning, Intervention and Review, and help you to apply theory to practice across settings and service user groups

New Theories for Social Work Practice Kieran O'Donoghue, Robyn Munford, 2019-07-18 Social work theory and practice is evolving and this edited collection explains both what the latest developments are and how to use them in practice. Exploring the challenges currently being faced within social work, it shows new ways social workers can conceptualise and respond to these issues. It covers emerging theory relating to work with families, children and young people, refugees, older people, indigenous practice and more, while explaining different models that can be used. It explores interventions in different contexts including community development, mental health settings, partnerships with disabled people, work with Pacific communities, cross cultural practice and the elements of evidence informed and ethical practice

Social Work Practice in Health Melissa Petrakis, 2020-07-16 Health services practice or working with clients facing health issues requires diverse approaches and wide ranging knowledge. In this ground breaking book, Melissa Petrakis draws on the experience and expertise of leading researchers and practitioners to provide a guide to the disparate settings in which social workers are engaged and the conceptual frameworks and skills needed for effective practice. The book begins by examining the nature of health social work and considers its core values and principles. This section also provides an overview of the social determinants of health. Part 2 explores key areas of practice including working with children, mothers and families, hospital based social work, domestic and family violence, mental health, dual diagnosis, forensic social work, Indigenous approaches to health, oncology and aged care. Part 3 looks at politicised issues in the field including working with people living with disability, refugee health and concludes by considering how a focus on well being informed by Maori approaches could provide new insights into better practice. Underpinning the book throughout is a clear guide to assessment procedures, case management, strengths based practices and developing effective partnerships and collaboration. *Social Work Practice in Health* is destined to become a key reference tool for social work students and practitioners providing practical, evidence based and insightful approaches

Grinnell, Yvonne A. Unrau, 2005 This book is the longest standing and most widely adopted text in the field of social work research and evaluation Since the first edition in 1981 it has been designed to provide beginning social work students the basic methodological foundation they need in order to successfully complete more advanced research courses that focus on single system designs or program evaluations Its content is explained in extraordinarily clear everyday language which is then illustrated with social work examples that social work students not only can understand but appreciate as well Many of the examples concern women and minorities and special emphasis is given to the application of research methods to the study of these groups Without a doubt the major strength of this book is that it is written by social workers for social work students The editors have once again secured an excellent and diverse group of social work research educators The 31 contributors know firsthand from their own extensive teaching and practice experiences what social work students need to know in relation to research They have subjected themselves to a discipline totally uncommon in compendia that is writing in terms of what is most needed for an integrated basic research methods book rather than writing in line with their own predilections **Research Methods for Social Work** Allen Rubin, Earl R.
