Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We've seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God's mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God's children and no child of God keeps on sinning after they are born again through Jesus the Anointed One **Battles in the Promised Land**

Jacob Haywood, 2024-03-11 Many Christians have the underlying belief that if they are truly following Jesus they will be exempt from suffering in this life As a result they are often surprised when they go through hard times and are likely to experience doubt hopelessness and anger toward God But what if God's chosen means of blessing was through suffering Would you choose that path Through the author's personal story of suffering the loss of his twin sister in the prime of her life and through biblical examples of sufferers who have gone before Haywood outlines in this book how God is faithful amidst our suffering and how the abundant Christian life here on Earth is still possible if we are willing to fight for it No matter the battle you are facing know this God is fighting with you going before you standing in front of you and guarding behind you Even in your suffering he is leading you to the abundant life he has promised Based on that reality you can view whatever situation you are in with hope **Exalting Jesus in Song of Songs** Dr. Daniel L.
