Exploring New Religions George D. Chryssides, 1999-12-01 An objective well researched history of contemporary new religions and cults New religious movements popularly known as cults arouse strong public opinion and most books on the subject are polemical giving hostile reaction rather than informed exploration Exploring New Religions provides an account of a wide variety of new religions focusing on their origins beliefs and practices which are set out in a dispassionate way leaving readers to form their own value judgements George Chryssides provides important analysis of the killer cults the Jonestown People s Temple Waco the Solar Temple and Heaven s Gate examining the factors that made their followers willing to die for their cause Older groups like the Jehovah s Witnesses and Latter day Saints Mormons are discussed and Chryssides traces the development of a variety of strands of spirituality ranging from New Thought Spiritualism and Theosophy Subsequent chapters include the Baha i the Family formerly Children of God the Hare Krishna movement ISKCON the Jesus Army the Rastafarians the Church of Scientology Transcendental Meditation TM and the Unification Church the Moonies Lower profile groups are also discussed including EST Erhard Seminar Training the New Kadampa Tradition Brahma Kumaris Sai Baba Subud and the Western Buddhist Order A study of the New Age phenomenon and an account of societal responses to new religions at religious societal and political levels is also included Exploring New Religions George D. Chryssides, 1999 On comparative religion Controversies in Contemporary Religion Paul Hedges, 2014-09-09 Religious or spiritual beliefs underpin many controversies and conflicts in the contemporary world Written by a range of scholarly contributors this three volume set provides contextual background information and detailed explanations of religious controversies across the globe Controversies in Contemporary Religion Education Law Politics Society and Spirituality is a three volume set that addresses a wide variety of current religious issues analyzing religion s role in the rise of fundamentalism censorship human rights environmentalism and sustainability sexuality bioethics and other questions of widespread interest Providing in depth context and analysis far beyond what s available in the news or online this work will enable readers to understand the nature of and reasons for controversies in current headlines The first volume covers theoretical and academic debates the second looks at debates in the public square and ethical issues while the third examines specific issues and case studies These volumes bring detailed and careful debate of a range of controversies together in one place including topics not often covered for example how religions promote or hinder social cohesion and peace the relationship of religions to human rights and the intersection of Buddhism and violence Written by a range of experts that includes both established and emerging scholars the text explains key debates in ways that are accessible and easy to understand for lay readers as well as undergraduate students researching particular issues or global religious trends *Beshara and Ibn 'Arabi* Suha Taji-Farouki, 2007-11-01 Investigating sufi inspired spirituality in the modern world this multi faceted and interdisciplinary volume focuses on Beshara a spiritual movement that applies the teachings of Ibn Arabi in

a non Muslim context It traces the movement s emergence in sixties Britain and analyses its major teachings and practices exploring through this case study the interface between sufism and the New Age and the encounter between Islam and the West Examining from a global perspective the impact of cultural transformations associated with modernization and globalization on religion this timely volume concludes by tracing possible futures of sufi spirituality both in the West and in the Muslim world *New Religions in Global Perspective* Peter B. Clarke,2004-06-01 Peter B Clarke s in depth account explores the innovative character of new religious movements and new forms of spirituality from a global vantage point Ranging from North America and Europe to Japan Latin America South Asia Africa and the Caribbean it is the perfect introduction to NRMs such as Falun Gong Aum Shirikyo the Brahma Kumaris the Ikhwan or Muslim Brotherhood Sufism the Engaged Buddhist and Engaged Hindi movements Messianic Judaism and Rastafarianism Charting the cultural significance and global impact of NRMs he discusses the ways in which various religious traditions are shaping rather than displacing each other s understanding of notions such as transcendence and faith good and evil of the meaning purpose and function of religion and of religious belonging He then examines the responses of governments churches the media and general public to new religious movements as well as the reaction to older increasingly influential religions such as Buddhism and Islam in new geographical and cultural contexts Taking into account the degree of continuity between old and new religions each chapter contains not only an account of the rise of the NRMs and new forms of spirituality in a particular region but also an overview of change in the regions mainstream religions **SCM Core Text: Christian Approaches to Other Faiths** Paul Hedges,2013-02-11 The textbook begins with a chapter on exclusivism inclusivism particularity and pluralism and one on interfaith Each chapter explains the history rationale and workings of the various approaches Moreover each is divided into sub sections dealing with various forms of each approach so that each may be appreciated in its individuality i e the chapter on Inclusivism will include sections on fulfilment theology anonymous Christians etc The second part of this textbook deals with attitudes towards different faiths considering the problems and relations that exist with Christian approaches to each It will deal with the world s major faiths as well as primal religions and new religious movements The introduction and conclusion will deal with some central themes that run throughout in particular the questions of the Trinity and concepts of salvation In each section reference will be made to the key texts discussed in the Reader which accompanies this 9780334041155 however the work may be read as a stand alone text *Finding List* Withers public library, Bloomington, Ill,1901 **Exploring the Spirituality of the World Religions** Duncan S.
