## **Exposing The Accuser Of The Brethren Discernment:**

**Exposing the Accuser of the Brethren** Francis Frangipane, 1994-04-01      **America at the Threshold of Destiny** Francis Frangipane, 1999-06 We have wanted the world to become Christian without the church becoming Christlike Yet what happens when believers repent of judging self righteousness and worldliness As the love of Jesus Christ rises within us even in the midst of great darkness God promises nations will come to your light and kings to the brightness of your rising Isaiah 60 3 Francis Frangipane proclaims the triumph of mercy over judgment prayer over criticism and faith over fear Don t doubt All things are still possible for those who believe If your vision is to be like Jesus and you are concerned about the direction of the nation you ll be moved by this living message of grace and truth Let it empower both you and America toward the destiny of God Book jacket      **When The Many Are One** Francis Frangipane, 2011-11-14 How the Christian community driven by grace unified in love and activated by prayer can bring revival and change the world We all want to be part of something bigger than ourselves We all want to live in communities that are healthy and safe In When the Many Are One formerly The House of the Lord Francis Frangipane demonstrates how Christians of every color culture and denomination can work together to transform our communities Our best efforts will not stop the flood of problems in our cities if we remain isolated from each other In a season when external forces are causing disunity and division Francis Frangipane calls us back to oneness with Christ and through Him oneness with other Christians With the character and power of Christ in our midst the Church can again bring transformation to our communities our nation and our world      **The Divine Antidote** Francis Frangipane, 1994-03 The devil has no power to create he can only manipulate what already is under the judgment or wrath of God All sin is under God s curse and whatever is under God s curse is accessible to evil spirits      **Learning and Discerning Christian History** A. Iconoclast, 2022-09-24 Christian history in this present age is not taught in schools or even churches It has been twisted by pagans and priests alike This book was born out of darkness to shine forth as a light History is a vast subject that teaches us the ways of man and his depravity toward his fellow men It shows us the ways in which man has been led astray and lied to It instructs us in the way the Father works throughout time He reveals the common enemy of man in His story It teaches us that there is hope and love in the remnant of mankind We war daily against unseen and evil forces His word is for battle Arm yourselves Learning and Discerning Christian History is a light in the darkness and a textbook for the last days Combined with the Holy Bible this book is a weapon of war in the hands of the children of the most high God Prepare study be vigilant be watchful be bold and hold on to his words while learning and discerning Christian history The LORD is a man of war the LORD is his name Exodus 15 3 Seek ye the LORD while he may be found call ye upon him while he is near Isaiah 55 6      **A Time to Seek God** Francis Frangipane, 1994-12      *The Renaissance Prophet's Manual* Bishop R. S. Walker Ministries, 2008-06 Gettig rid of addictions and habits      [How to Read the Plays of the Enemy Against Ministries](#) T. D. Nelson, 2012-12-29 Why do so many ministries fall to the tricks of the enemy What if you could see the warning signs

before destruction hits your ministry T D Nelson shares personal stories of her experiences in large and small ministries who were rising to great heights but they were brought down by ignoring the subtle moves of the enemy which over time destroyed the progress reputation and impact of each ministry You will learn that There is nothing new under the sun The enemy will find your weakness The tricks of the enemy can be discerned A good defense can read and thwart the enemy s plays God is pouring His Spirit on this generation and ministries are being birthed on an ongoing basis It is heart breaking to see these ministries fade away especially as the enemy s kingdom continues to advance on the youth and the world as a whole Jesus said Behold I send you forth as sheep in the midst of wolves be ye therefore wise as serpents and harmless as doves Matthew 10 16 If you are a part of a ministry that is in its beginning stages or one that is making an impact for the Kingdom of God you will find that learning how to read the plays of the enemy can protect your ministry from unnecessary attacks

*The Great American Backslide and Our Silent Partnership with Darkness* M. Rene Lauzier, 2024-03-11 Change is accelerating and the world of 2023 is unrecognizable from the world that existed just five years ago In a very subtle and incremental manner American society has been transformed from what once was the world s premiere super power a country that was exalted as an example of freedom justice morality and liberty into a divided group of many tribes cultures and political and special interest groups often lacking a moral compass We go with the loudest tribe fitting our basic ideals or choose to go it alone And when we try to avoid the many tribes of destruction we often tend to adopt the idol of the god of self Community and unity are being left to die a slow painful death America s true north has become obscured because we decided to forego God as the light for our path This has allowed us to quickly forget the race worth running as well as those foundational values that once comprised what we stood for as a country But how did we get here and how can the trend of moral decay and divisiveness be reversed The Great American Backslide came about as a result of not just understanding that our natural tendency as humans is to be selfish and sinful but knowing we are being given substantial assistance by the dominion of darkness This book will take us through an analysis of biblical secular and non secular explanations of the existence of evil how it induces cultural paradigm shifts aimed to ultimately separate us from God how evil leverages our emotions our brain chemistry and our sinful human nature to manipulate subtle and incremental compromises of truth how evil sustains itself and creates ever increasing moral decay leading to further evil through a cycle of depravity and how we can go about living in opposition to evil influences upon our world
