getting rich without much stress is the old dream of many people. The prerequisite for this is financial education and a good background knowledge. Because with the right wide ranging risk management the dream of passive income where you let your money work for you can definitely come true. But unfortunately few people really know their way around the subject of investing and opinions about proper financial planning are as many as there are experts. So if you want to earn money by investing wisely you would do well not to lose track in the jungle of financial products. Therefore it makes sense to deal with one's own asset planning in more detail after all savings and thus retirement provisions which are important for retirement are only destroyed by inflation. Good luck and have fun reading. Knowledge that makes a difference. With its Information on Demand concept the publisher was not only involved in an EU funded program but also received several awards. Scalping is Fun! Heikin Ashi Trader, 2016-03-16 Scalping is the fastest way to make money in the stock market. There is hardly a more effective method for increasing a trader's capital. The Heikin Ashi Trader explains why this is so in this four part series about scalping. In this third book the Heikin Ashi trader answers the question of how the trading results of a scalper are analyzed and correctly evaluated. Based on the weekly results of a single trader he examines what factors matter to having long term success in the stock market. The analysis of the trading journal for 12 weeks allows an inside look at the learning curve of a budding professional. This highly effective scalping strategy applies to short time frames such as the 1 minute chart as well as longer periods. You can trade using this universal method in equity indices and in the currency markets. Typical instruments are futures, foreign exchange and CFDs.
