Fostering Independent Learning Practical Strategies To Promote Student Success Guilford Practical Intervention:

Fostering Independent Learning Virginia Smith Harvey, Louise A. Chickie-Wolfe, 2007-03-02 Accessible practical and empowering this book gives school professionals the tools to put students in charge of their own learning Going beyond traditional study skills guides that focus on the mechanics of homework completion and test taking the authors address the underlying psychological factors that influence academic success and lifelong learning They provide step by step guidance and data based interventions for helping each student develop a repertoire of problem solving strategies in the areas of motivation emotional responses to learning behavior time management organization memory reading writing math and more In a large size format with lay flat binding to facilitate photocopying the volume includes dozens of reproducible handouts and forms This book is in The Guilford Practical Intervention in the Schools Series *Enhancing Instructional Problem Solving* John C. Begeny, Ann C. Schulte, Kent Johnson, 2012-05-09 This book presents a schoolwide model of instructional support designed to make the most of available time resources and personnel one that is also fully compatible with other problem solving models such as response to intervention The authors provide a comprehensive and cohesive framework for linking assessment and intervention They show how to interweave evidence based instruction with targeted professional development and other components that support improved learning outcomes for all K 8 students Helpful tables describe dozens of research based assessments and interventions in reading writing and math In a large size format with lay flat binding to facilitate photocopying the volume includes more than 20 reproducible worksheets and forms The companion website features additional reproducibles and supplemental materials for use in conjunction with the book This book is in The Guilford Practical Intervention in the Schools Series Conducting School-Based Functional Behavioral Assessments, Second Edition Mark W. Steege, T. Steuart Watson, 2009-01-23 This book has been replaced by Conducting School Based Functional Behavioral Assessments Third Edition ISBN 978 1 4625 3873 7 **Academic and Behavior Supports for At-Risk Students** Melissa Stormont, Wendy M. Reinke, Keith C. Herman, Erica S. Lembke, 2012-02-17 This user friendly volume provides evidence based tools for meeting the needs of the approximately 15% of K to 6 students who would benefit from more support than is universally offered to all students but do not require intensive individualized intervention With a unique focus on small group interventions for both academic and behavioral difficulties the book addresses externalizing behavior internalizing behavior reading and mathematics Step by step guidelines are presented for screening selecting interventions and progress monitoring Ways to involve families and ensure that practices are culturally responsive are described In a convenient large size format the book includes more than 20 reproducible handouts and forms This book is in The Guilford Practical Intervention in the Schools Series edited by Sandra M Chafouleas *Helping Students Overcome Substance Abuse* Jason J. Burrow-Sanchez, Leanne S. Hawken, 2013-12-17 Unique in its coverage of both prevention and

intervention this book provides evidence based strategies and ready to use tools for addressing substance abuse in middle and high school settings Readers learn ways to identify students at risk and implement programs that meet a broad continuum of needs from psychoeducational and support groups to individual intervention and referral to community services Also provided is up to date information on the nature of adolescent substance abuse problems their prevalence and how they develop Clearly organized and accessible the book is designed for optimal practical utility Special features include illustrative case examples resources and reproducible worksheets and forms This book is in The Guilford Practical Intervention in the Schools Series edited by T Chris Riley Tillman *Managing ADHD in the K-8 Classroom* Grad L. Flick,2010-01-20 Another powerful resource by Flick filled with a wealth of up to date and research based information about ADHD effective strategies and interventions for managing the disorder and expert guidance to enable students with ADHD to achieve success Sandra Rief Educational Consultant Author of *How to Reach Teach Children With ADD ADHD* Flick s methods on removing inappropriate behaviors were invaluable during my student teaching experience The performance of my eighth grade students with an ADHD IEP plan showed a marked improvement Edwin Thompson English Language Arts Teacher By following Flick s practical recommendations teachers will be able to systematically employ behavioral strategies to effectively improve classroom behavior and attention increase academic performance and positively impact the self esteem of students in their class Harvey C Parker Clinical Psychologist Author of *The ADHD Handbook for Schools* Improve problem behavior in your classroom with these ADHD facts and intervention strategies To help teachers gain a better understanding of ADHD licensed clinical psychologist Grad L Flick provides clear cut behavioral intervention strategies for dealing with everything from general behavior challenges to specific issues related to ADHD *Managing ADHD in the K 8 Classroom* offers the latest research based information about characteristics assessment and behaviors associated with ADHD and provides appropriate options for responding to children s challenging behavior This valuable resource features case studies checklists graphs and specific strategies that help general and special education teachers Make accommodations in the classroom Promote appropriate behavior and discourage inappropriate behavior Deal with children s impulsivity attention problems hyperactivity difficulty following directions and other problem behaviors related to ADHD Use relaxation and stress management techniques that strengthen teachers ability to handle behavioral challenges Use these effective classroom management strategies to prevent disruptions and help your students with ADHD focus on learning **Resources in Education** ,1996 **Bowker's Complete Video Directory 2001** ,2001 **Classroom Interventions that Work Superbly** Selina Joy Jackson,2024-10-21 Struggling with disruptive behavior or low student engagement Selina Jackson shares proven techniques to manage behavior boost academic performance and foster a positive learning environment Start today **Practical Learning Strategies 4th Edition Plus Student Success Planner 06/07** Hopper,2006-05-01 **EBOOK: Developing Independent Learning in Science: Practical ideas and activities for 7-12 year olds** Liz

Lakin,2013-08-16 This practical guide to promoting and developing independent learning is presented in a mixed format using both diagrammatic and textual stimulus It offers tips and suggestions to achieve effective teaching and learning and raises standards by enabling the pupil to become independent and responsible for their own learning autonomous in their thinking and creative and critical in their understanding Liz Lakin describes a progression away from dependency on the classroom teacher whose role changes readily from teacher to facilitator Drawing on practice based research she introduces the skills and processes associated with independent learning through established strategies such as Assessment for Learning the use of Active learning techniques problem solving activities and peer assessment Each chapter presents tried and tested ideas strategies and activities for the development of higher order skills such as application synthesis evaluation and reflection to use with pupils across the dependency spectrum Several relate to the higher levels of attainment and are therefore applicable at Key Stage 3 The effectiveness of teacher pupil feedback and the role of homework form a significant focus for the latter part of the book A truly thought provoking interactive book with a difference that takes teachers on a learning journey It encourages us to reflect on how we learn how our pupils learn and what the collective implications for effective teaching and helping pupils to construct their learning are Reading and actively engaging with this book is indeed a learning journey invaluable to practitioners The text contains many invaluable references and deals with topics such as the value of homework how people learn and how people respond to techniques addressee to hem in learning situations An essential reading for practicing teachers and particularly students in training and their tutors Dr Sue Dale Tunnicliffe Senior lecturer in Science Education Institute of Education University of London UK There has never been a time when independent learning is more important in school science In Developing Independent Learning in Science Liz Lakin challenges the reader to examine how they teach science and why pupils respond as they do The result is a book that should be of great value to those who teach science to 7 12 year olds and to science educators in general A particular strength is the way the author interweaves rigorous thinking about learning with activities for the reader to help them engage with the text In addition there is a mass of useful thinking in here and plenty of classroom suggestions The book is worth reading simply for the honesty of the How not to climb Helvellyn case study Michael J Reiss Professor of Science Education Institute of Education University of London UK In this book Liz Lakin involves the readers in the kind of independent learning that she in describing and advocating It should enable practising teachers to stand back from their work to consider why we want children to learn in a certain way as well as providing useful ideas about how to do it It is written in a personal and engaging style and is a unique addition to books on science teaching Wynne Harlen OBE PhD Visiting Professor of Education University of Bristol UK
