Good Enough Parenting Timothy A. Cavell, Lauren B.

Quetsch, 2022-09-27 Written for parents of children from toddlers to teens this book gives parents a science based plan to help their children grow up to be emotionally healthy adults To build healthy and lasting parent child relationships parents need practical strategies that meet their child's needs and address the circumstances that affect their families A parent's job unfolds and shifts over time Concerns about sleep become worries about tantrums anxieties about sharing become fears about grades and acting out in school These concerns are natural but many parents struggle to handle it all Some feel drained some lash out and some feel like the worst parents in the world This book shows parents how to use a six step program to build a stronger relationship with their child It teaches parents how to set parenting goals prioritize their own emotional health and create a structure for their family Having laid that three step foundation parents learn the importance of accepting their child for who they are containing their behavior and acting as a leader Prioritizing these six areas and making a plan for them will allow readers to parent proactively rather than reactively and focus on what matters most No one can be a perfect parent but you can be a good enough parent one who shepherds their child toward a healthy productive adulthood

A Parent's Guide to Back to School Axis, 2019-03-01 Heading back to school brings a confusing mix of emotions for everyone involved including parents Today's students face numerous challenges when they head back to school including lack of free time pressure to perform academically peer pressure finding their identity relationships bullying and more This guide will help you understand what today's students face as they get older including how to help and how to use the time to create new family habits and routines Parent Guides are your one stop shop for biblical guidance on teen culture trends and struggles In 15 pages or fewer each guide tackles issues your teens are facing right now things like doubts the latest apps and video games mental health technological pitfalls and more Using Scripture as their backbone these Parent Guides offer compassionate insight to teens world thoughts and feelings as well as discussion questions and practical advice for impactful discipleship
