Fan Phenomena Sherlock Holmesfan Phenomena Sherlock Holmespaperback:

Fan Phenomena: Sherlock Holmes Tom Ue, 2014-01-01 Few could have predicted the enduring fascination with the legendary detective Sherlock Holmes From the stories of Sir Arthur Conan Doyle to the recent BBC series that has made a heart throb out of Benedict Cumberbatch the sleuth has been much a part of the British and global cultural legacy from the moment of his first appearance in 1887 The contributors to this book discuss the ways in which various fan cultures have sprung up around the stories and how they have proved to be a strong cultural paradigm for the ways in which these phenomena function in the twentieth and twenty first centuries Essays explore the numerous adaptations rewritings rip offs role playing wiki and crowd sourced texts virtual realities and faux scholarship Sherlock Holmes has inspired Though fervid fan behaviour is often mis characterized as a modern phenomenon the historical roots of fan manifestation that have been largely forgotten are revived in this thrilling book Complete with interviews with writers who have famously brought the character of Holmes back to life the collection benefits from the vast knowledge of its contributors including academics who teach in the field archivists and a number of writers who have been involved in the enactment of Holmes stories on stage screen and radio The release of *Fan Phenomena: Sherlock Holmes* coincides with Holmes s 160th birthday so it is no mystery that it will make a welcome addition to the burgeoning scholarship on this timeless detective

Fan Phenomena: Sherlock Holmes Tom Ue, 2014

Holmes and the Ripper Lucyna Krawczyk-Żywko, 2024-03-22 In versus narratives Sherlock Holmes is fighting or otherwise engaging Jack the Ripper These texts pit the archetypal detective against the archetypal serial killer using established formulas as well as new narrative and generic features a combination that results in their mass appeal among authors and audiences alike The list of primary sources includes 120 titles novels short stories plays fanfiction Grand Game studies movies TV shows video and board games which are treated as a dialogic network of transfictional and transmedial texts This study unpacks the versus corpus in its media dispersal by analysing Sherlock Holmes and Jack the Ripper as serial figures and culture texts emphasising the increasing palimpsestousness of the former and the multidirectional polymorphousness of the latter and tracing the overlapping Doylean culture text It also addresses the way character constellations are represented negotiated and fed back into the versus network contextualising them within the coalescence of fact and fiction Gothic and crime fiction frames cultural memory neo Victorianism and biofiction

The Nineteenth Century Periodical Press and the Development of Detective Fiction Samuel Saunders, 2021-05-11 This book re imagines nineteenth century detective fiction as a literary genre that was connected to and nurtured by contemporary periodical journalism Whilst detective fiction is almost universally accepted to have originated in the nineteenth century a variety of widely accepted scholarly narratives of the genre s evolution neglect to connect it with the development of a free press The volume traces how police officers detectives criminals and the criminal justice system were discussed in the pages of a variety of magazines and journals and argues that this affected how the wider nineteenth century

society perceived organised law enforcement and detection This in turn helped to shape detective fiction into the genre that we recognise today The book also explores how periodicals and newspapers contained forgotten non canonical examples of detective fiction and that these texts can help complicate the narrative of the genre s evolution across the mid to late nineteenth century *Clues: A Journal of Detection, Vol. 34, No. 1 (Spring 2016)* Elizabeth Foxwell, 2016-09-19 For over two decades Clues has included the best scholarship on mystery and detective fiction With a combination of academic essays and nonfiction book reviews it covers all aspects of mystery and detective fiction material in print television and movies As the only American scholarly journal on mystery fiction Clues is essential reading for literature and film students and researchers popular culture aficionados librarians and mystery authors fans and critics around the globe [Sherlock Holmes](#) Tom Ue, Jonathan Cranfield, 2014 Few could have predicted the enduring fascination with the legendary detective Sherlock Holmes From the stories of Sir Arthur Conan Doyle to the recent BBC series that has made a heart throb out of Benedict Cumberbatch the sleuth has been much a part of the British and global cultural legacy from the moment of his first appearance in 1887 The contributors to this book discuss the ways in which various fan cultures have sprung up around the stories and how they have proved to be a strong cultural paradigm for the ways in which these phenomena function in the twentieth and twenty first centuries Essays explore the numerous adaptations rewritings rip offs role playing wiki and crowd sourced texts virtual realities and faux scholarship Sherlock Holmes has inspired Though fervid fan behaviour is often mischaracterized as a modern phenomenon the historical roots of fan manifestation that have been largely forgotten are revived in this thrilling book Complete with interviews with writers who have famously brought the character of Holmes back to life the collection benefits from the vast knowledge of its contributors including academics who teach in the field archivists and a number of writers who have been involved in the enactment of Holmes stories on stage screen and radio The release of Fan Phenomena Sherlock Holmes coincides with Holmes s 160th birthday so it is no mystery that it will make a welcome addition to the burgeoning scholarship on this timeless detective **Neo-Victorian Villains**, 2017-06-01 Neo Victorian Villains is the first edited collection to examine the afterlives of such Victorian villains as Dracula Svengali Dorian Gray and Jekyll and Hyde exploring their representation in neo Victorian drama and fiction In addition Neo Victorian Villains examines a number of supposedly villainous types from the spirit medium and the femme fatale to the imperial native and the ventriloquist and traces their development from Victorian times today Chapters analyse recent theatre films and television from Ripper Street to Marvel superhero movies as well as classic Hollywood depictions of Victorian villains In a wide ranging opening chapter Benjamin Poore assesses the legacy of nineteenth century ideas of villains and villainy in the twentieth and twenty first centuries Contributors are Sarah Artt Guy Barefoot Jonathan Buckmaster David Bullen Helen Davies Robert Dean Marion Gibson Richard Hand Emma James Mark Jones Emma V Miller Claire O Callaghan Christina Parker Flynn Frances Pheasant Kelly Natalie Russell Gillian Piggott Benjamin Poore and Rob Welch **Twin Peaks** Franck Boulègue, 2017-01-15 Few

contemporary television shows have been subjected to the critical scrutiny that has been brought to bear on David Lynch and Mark Frost's *Twin Peaks* since its debut in 1990. Yet the series and the subsequent film *Fire Walk With Me* are sufficiently rich that it's always possible for a close analysis to offer something new and that's what Franck Boulgoue has done with *Twin Peaks: Unwrapping the Plastic*. Through Boulgoue's eyes we see for the first time the world of *Twin Peaks* as a coherent whole, one that draws on a wide range of cultural source material including surrealism, transcendental meditation, Jungian psychoanalysis, mythology, fairy tales, and much, much more. The work of a scholar who is also a fan, the book should appeal to any hardcore *Twin Peaks* viewer.

Fandom as Classroom Practice Katherine Anderson Howell, 2018-05-15. Providing ways to engage students through their popular culture interests, this collection brings together several essays across disciplines to show how fan practices such as writing fan fiction, creating vids, communicating via Tumblr, and participating in film tourism can invite students to invest more of themselves into their education. Both scholarship and fandom encourage passionate engagement with texts rather than passive consumption in isolation, and editor Katherine Anderson Howell and her contributors find that when students are encouraged to partake in a remix classroom that encourages their fan interests, they participate more in their education, are more critical of experts and authorities, and actively shape the discourse themselves. Creating this remix classroom requires thoughtfulness on the instructor's part, and so the chapters in this volume come from teachers who have carefully constructed such courses, including several invaluable appendices that provide examples of methodologies, course assignments, teaching practices, and classroom setup. Each chapter also includes student responses that offer a sense of what students gained from each course. The result is an exciting and entertaining new way to motivate students and teachers alike, and it is sure to be a popular reference guide for instructors teaching classes from high school to graduate levels.

The Chemical Adventures of Sherlock Holmes Thomas G. Waddell, Thomas R. Rybolt, 2004. *Book Review Digest*, 2002.

Sixth Book of Junior Authors & Illustrators Sally Holmes Holtze, 1989. This volume covers 238 authors and illustrators whose works span fiction, poetry, non-fiction, and picture books, and represent a range of talents and viewpoints that exemplify the rich variety of children's literature. Readers will find information on new and established authors. Each entry includes a substantial bibliography of works by and about the subject, many including websites. A convenient cumulative index of all eight books in the series appears in this volume, plus a list of major awards and citations that recognise excellence in literature for children and young adults. The *Sixth Book of Junior Authors & Illustrators* provides the following: A list of major awards and citations that recognise excellence in literature for children and young adults; Lively anecdotes, important observations, and an account of each writer or artist's career; An essential tool for readers, advisory with lists of works by each person profiled; Intimate first-person sketches; Authors and illustrators speak directly and naturally to young readers in many of the entries; Photographic portraits and jacket illustrations that enliven the entries; A perfect starting point for further research with lists of additional biographical sources; Cross-references to pen names, which makes finding

favourite authors easy A Cumulative Index guides readers to profiles in other Junior Authors Illustrators volumes *The Times Index* ,2009 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement 'American Book Publishing Record' Cumulative R.
