

U.S. Mexico Border Dilemma: Immigration & Drug Trafficking Issues

Topic: Politics & Government | Words: 2489 | Pages: 10

U.S Mexico border dilemma has been present for several years. It is apparent that the space between the countries exists almost as a separate state (Coleman, 2005). It attracts a lot of immigrants, who would like to pursue the American Dream (Heyman, 2001). Some of them cross the border illegally, as there is a possibility and opportunity to do so.

It is clear that this matter creates difficulties for the both countries, as the United States of America has to face a continuous flow of illegal immigrants from different parts of the world and illicit drug transportation. In turn, Mexico lacks the workforce, as a significant number of people move to the United States of America. Additionally, the problem of political drug trafficking also takes place due to the occurrence of this situation at the U.S. Mexico border.

It is apparent that due to the continuous conflict, countries are not able to control the flow of illegal drugs effectively, as they try to remain competitive and fight for this unknown territory aggressively. Meanwhile, the space between the United States of America and Mexico exists on its own, and soon it will be operating and functioning as an independent state (Coleman, 2005).

A primary goal of this research paper is to discover the origins of the problem, as it is important to evaluate a historical background of the dilemma. Additionally, it is necessary to describe a political dilemma of
