Brandi Glanville

Drinking And Tweeting And Other Brandi Blunders:

Drinking and Tweeting Brandi Glanville, Leslie Bruce, 2014-01-07 She's the brutally honest breath of fresh air on *The Real Housewives of Beverly Hills* known for her dramatic divorce, her barely there clothing and her inability to keep her mouth shut. So why should she change now? Brandi Glanville tells all in this hilarious no holds barred memoir. Fans have been waiting for Brandi's scoop on one of the biggest divorces of the decade since her husband of eight years abandoned her and their two sons to marry country singer LeAnn Rimes. Not only does Brandi spill the beans about her side of the split, the lovable housewife shares the incredible wild ride that took her from a life in the ghetto to Hollywood's most elite circles. For the first time Brandi talks about how she escaped a rough neighborhood on the outskirts of Sacramento and stumbled into a successful modeling career that swept her into a world of Paris Fashion Weeks, private jets and uncircumcised penises. Before she knew it Brandi was the perfect Hollywood trophy wife at least until her marriage exploded. Today the refreshingly filter free housewife and unapologetic mom is the newest full time cast member of Bravo's juggernaut franchise where she often elicits raised eyebrows and gossip from her costars for her refusal to be the scorned ex wife, to be bullied to change her sarcastic sense of humor or on most occasions to wear a bra. Sassy, raunchy and compulsively readable *Drinking and Tweeting* perfectly captures Brandi's open book attitude as she dishes about everything from her DUI, her cheating ex, her one night stands and the secret plastic surgery that made her seventeen again. You're sure to enjoy every page of this funny upbeat honest tale. Clear your schedule for an afternoon and grab your favorite cocktail, a comfy seat and maybe a Xanax. But that's for later.

The Most Intimate Revelations about Drinking and Tweeting Jack Bressing, 2013-01 In this book we have hand picked the most sophisticated, unanticipated, absorbing if not at times crackpot, original and musing book reviews of *Drinking and Tweeting And Other Brandi Blunders*. Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all.

Drinking and Dating Brandi Glanville, 2024-05-21 The *Real Housewives* star and *New York Times* bestselling author dishes on her life after divorce in this candid, hilarious memoir. *Kirkus Reviews* On the heels of her bestselling *Drinking and Tweeting*, *Real Housewives of Beverly Hills* star Brandi Glanville takes readers on a wild ride through her dating life in this highly entertaining reflection on relationships in the twenty-first century. *Drinking and Dating* chronicles Glanville's misadventures stumbling through today's dating world. From social media blunders to bedroom escapades, Brandi withholds nothing. Each chapter is inspired by a relationship encounter she has had since her sensational divorce from actor Eddie Cibrian. Hilarious, surprising, vulnerable and outspoken, Glanville's unexpected take on dating after heartbreak and life in general is as unique as she is. Just like Brandi herself, *Drinking and Dating* is sexy, funny and eyebrow-raising. Acclaim for *Drinking and Tweeting* In the notoriously superficial Hollywood social scene, Glanville stands out for her

willingness to be vulnerable and even to look bad Frothy straightforward and surprisingly addictive Kirkus Reviews The best piece of celeb literature we ve ever come across LA Weekly
