Drug Set And Setting The Basis For Controlled Intoxicant Use:

Drug, Set, and Setting Norman E. Zinberg, 1986-02-01 A leading expert on drug use illuminates the factors that permit some people to use such highly addictive and dangerous substances as alcohol marijuana psychedelics and opiates in a controlled fashion This cogently written work should be of interest to members of the medical community particularly those who have contact with substance abusers psychiatrists sociologists policymakers administrators and interested laypersons Well worth reading JAMA

Drug, Set, and Setting Norman Earl Zinberg, 1984 Examines the social conditions surrounding drug use and analyzes how some people are able to control their use of intoxicants and avoid addiction

Rethinking the War on Drugs in Ireland Tim Murphy, 1996 This paper presents an argument for the legalization of psychoactive drugs that are currently prohibited by law Drawing on international drug policy research the author examines the Irish policy in its historical medical social and political context The legitimacy of current policy is severely undermined by such an examination and the ineffectiveness of the war suggests that new options must be considered *Over the Influence*

Patt Denning, Jeannie Little, Adina Glickman, 2003-11-15 Twelve step programs that insist on abstinence are beneficial to many but what about the millions of Americans who try to quit and fail just want to cut down or wish to work toward sobriety gradually This groundbreaking book presents the Harm Reduction approach a powerful alternative to traditional treatment that helps users set and meet their own goals for gaining control over drinking and drugs The expert empathic authors guide readers to figure out which aspects of their own habits may be harmful what they would like to change and how to put their intentions into action while also dealing with problems that stand in the way such as depression stress and relationship conflicts Based on solid science and 40 years of combined clinical experience the book is packed with self discovery tools fact sheets and personal accounts It puts the reader in the driver s seat with a new and empowering roadmap for change Winner American Journal of Nursing Book of the Year Award
