2025 Edition Netflix Top Shows:

Global Perspectives on Indigenous Film and Literature Amar Ramesh Wayal,A. P. Anupama,2025-09-22 This edited volume comprehensively explores narrative survival in Indigenous film and literature forging a literary and transitional approach to native writing It navigates the evolution of Indigenous voices spanning the oral tradition and literary forms from colonial times to the present It covers a range of issues related to indigenous inequalities and diversities in film and literature With chapters from global perspectives including North America Canada New Zealand and South Asia it ensures an inclusive exploration of indigenous narratives The diverse chapters address topics such as the aboriginal experience residential school legacy the invisible nation of Algonquins tribal songs decolonial futures caste survival narrative trauma and other marginalized groups such as low castes linguistic minorities and Adivasis tribals The book focuses on innovative concepts to understand the study of a particular indigenous group in isolation from others and more than the conventional comparative study of different indigenous groups It deals with the challenges of achieving local indigenous rights and identities It is a valuable resource for social science and humanities scholars particularly for indigenous scholars development professionals and administrators interested in the issues related to social diversity and indigeneity in a global setting Swiftynomics Misty L. Heggeness,2026-01-27 Taylor Swift and Beyonc e aren t just pop megastars They are working women whose astounding accomplishments defy patriarchal norms And while not all women can be Rihanna or Dolly Parton or Reese Witherspoon their successes help us understand the central role of everyday women in today s economy Swiftynomics assesses the complex economic lives of American women Drawing insights from pathbreakers like Taylor Swift Misty Heggeness digs into the data revealing women s hidden contributions and aspirations the unexamined value they create by following their own ambitions She confr onts misconceptions about the roles women play in today s economy by highlighting the abundance of productive activity occurring in their daily lives and acknowledging the barriers they still face Lighthearted but substantive Swiftynomics explores critical reforms like paying caregivers for work on behalf of their families and collecting statistical documentation of gendered labor that currently goes unrecognized Heggeness also offers advice for women so they can thrive in an economy that was not built for them Provided by publisher **Digital Transformation for Business Sustainability** Aloysius Edward J.,K.
